

Conn's, Inc. Announces Closing of Amended and Restated \$650 Million Credit Facility

May 24, 2018

THE WOODLANDS, Texas, May 24, 2018 (GLOBE NEWSWIRE) -- **Conn's, Inc.**(NASDAQ:CONN), a specialty retailer of furniture and mattresses, home appliances, consumer electronics and home office products, and provider of consumer credit, announced today the closing of its amended and restated \$650 million asset-based revolving credit facility (the "Amended Credit Facility").

"We are extremely pleased to announce the closing of our Amended Credit Facility. In addition to extending the maturity to four years from three years, the Amended Credit Facility provides us with a higher advance rate on our receivables portfolio. The combination of better economic terms and smaller facility size is expected to save over \$1 million per year in interest expense," stated Norm Miller, Conn's Chairman and Chief Executive Officer. "Over the past two years, we have focused on deleveraging our balance sheet, diversifying our sources of capital and reducing our all-in-cost of funds. We have made progress on all three objectives. As a result, we have proactively reduced our Amended Credit Facility size to \$650 million which still provides ample capacity to execute our growth strategies."

"We are pleased with the terms of the Amended Credit Facility and encouraged by the continued strong support from our lenders in completing this transaction," concluded Mr. Miller.

Additional details on the Amended Credit Facility may be found in the Form 8-K which will be filed today with the Securities and Exchange Commission.
