#### ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission, or the SEC, using a “shelf” registration process. Under this shelf registration process, we may from time to time sell:

- common stock
- preferred stock
- debt securities
- warrants to purchase any of the securities listed above or
- any combination of these securities

in one or more offerings up to a total dollar amount of \$150,000,000. We have provided to you in this prospectus a general description of the securities we may offer. Each time we sell securities under this shelf registration process we will provide a prospectus supplement that will contain specific information about the terms of the offering. We may also add, update, or change in the prospectus supplement any of the information contained in this prospectus. To the extent there is a conflict between the information contained in this prospectus and the prospectus supplement, you should rely on the information in the prospectus supplement, provided that if any statement in one of these documents is inconsistent with a statement in another document having a later date — for example, a document incorporated by reference in this prospectus or any prospectus supplement — the statement in the document having the later date modifies or supersedes the earlier statement.

As permitted by the rules and regulations of the SEC, the registration statement, of which this prospectus forms a part, includes additional information not contained in this prospectus. You may read the registration statement and the other reports we file with the SEC at the SEC’s web site or at the SEC’s offices described below under the heading “Incorporation of Documents by Reference.”

### Company Overview

We are a specialty retailer of home appliances and consumer electronics. We sell home appliances including refrigerators, freezers, washers, dryers, dishwashers, and ranges and a variety of consumer electronics including LCD, plasma and DLP televisions, camcorders, digital cameras, Blu-ray and DVD players, video game equipment, portable audio, MP3 players, and home theater products. We also sell home office equipment, lawn and garden equipment, mattresses, and furniture and we continue to introduce additional product categories for the home and for consumer entertainment, such as GPS devices, to help increase same store sales and to respond to our customers' product needs. We offer over 3,500 product items, or SKUs, at good-better-best price points representing such national brands as General Electric, Whirlpool, Electrolux, Frigidaire, Maytag, LG, Mitsubishi, Samsung, Sony, Toshiba, Bose, Canon, JVC, Serta, Simmons, Spring Air, Ashley, Lane, Broyhill, Franklin, Hewlett Packard, Compaq, Poulan, Husqvarna and Toro. Based on revenue in 2007, as reported in *This Week in Consumer Electronics*, we were the 9th largest retailer of home appliances and the 41st largest retailer of consumer electronics in the United States.

We began as a small plumbing and heating business in 1890. We began selling home appliances to the retail market in 1937 through one store located in Beaumont, Texas. We opened our second store in 1959 and have since grown to 76 stores. We have been known for providing excellent customer service for over 118 years. We believe that our customer-focused business strategies make us an attractive alternative to appliance and electronics superstores, department stores, and other national, regional, and local retailers. We strive to provide our customers with:

- a high level of customer service;
- highly trained and knowledgeable sales personnel;
- a broad range of competitively priced, customer-driven, brand name products;
- flexible financing alternatives through our proprietary credit programs;
- next day delivery capabilities; and
- outstanding product repair service.

We believe that these strategies drive repeat purchases and enable us to generate substantial brand name recognition and customer loyalty. During fiscal 2009, approximately 67% of our credit transactions, based on the number of invoices written, were repeat credit customers.

In 1994, we realigned and added to our management team, enhanced our infrastructure and refined our operating strategy to position ourselves for future growth. From fiscal 1994 to fiscal 1999, we selectively grew our store base from 21 to 26 stores while improving operating margins from 5.2% to 8.7%. Since fiscal 1999, we have generated significant growth in our number of stores, revenue, and profitability. Specifically:

- we have grown from 26 stores to 76 stores, an increase of over 192%, with plans to continue our store development in the future;
- total annual revenues have grown 251%, at a compounded annual rate of 15.0%, from \$234.5 million in fiscal 1999, to \$824.1 million in fiscal 2008, and revenues grew 3.8% to \$620.8 million for the nine

months ended October 31, 2008, from \$598.2 million for the nine months ended October 31, 2007, including the impacts of the non-cash fair value adjustments recorded in both periods and the effects of Hurricanes Gustav and Ike that negatively impacted our results during the nine months ended October 31, 2008;

- annual net income from continuing operations has grown 351%, at a compounded annual rate of 18.5%, from \$8.8 million in fiscal 1999 to \$39.7 million in fiscal 2008, and net income declined 50.9% to \$13.1 million for the nine months ended October 31, 2008, from \$26.6 million for the nine months ended October 31, 2007, driven primarily by the impact of the non-cash fair value adjustments recorded in both periods and the effects of Hurricanes Gustav and Ike that negatively impacted our results during the nine months ended October 31, 2008; and
- our same store sales growth from fiscal 1999 through fiscal 2009 has averaged 7.5%; it was 2.0% for fiscal 2009. See additional discussion about same store sales under “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in our Annual Report on Form 10-K for the fiscal year ended January 31, 2008 and our Quarterly Report or Form 10-Q for the quarter ended October 31, 2008.

Our principal executive offices are located at 3295 College Street, Beaumont, Texas 77701. Our telephone number is (409) 832-1696, and our corporate website is [www.conns.com](http://www.conns.com). We do not intend for information contained on our website to be part of this prospectus.

#### **Subsidiary Guarantors**

One or more of our subsidiaries may fully and unconditionally guarantee any series of debt securities offered by this prospectus, as set forth in a related prospectus supplement. These subsidiaries are sometimes referred to in this prospectus as possible subsidiary guarantors. The term “subsidiary guarantors” with respect to a series of debt securities refers to our subsidiaries, if any, that guaranty that series of debt securities. The applicable prospectus supplement will name the subsidiary guarantors, if any, for that series of debt securities and will describe the terms of the guarantee by the subsidiary guarantors.

## RISK FACTORS

You should rely only on the information contained or incorporated by reference in this prospectus or a prospectus supplement. We have not authorized any other person to provide you with different information. If anyone provides you with different or inconsistent information, you should not rely on it. This prospectus is not an offer to sell these securities and it is not soliciting an offer to buy these securities in any jurisdiction where the offer or sale is not permitted. You should assume that the information appearing in this prospectus or any prospectus supplement, as well as information we have previously filed with the SEC and incorporated by reference, is accurate as of the date of those documents only. Our business, financial condition, results of operations, and prospects may have changed since those dates.

An investment in our securities involves various risk factors. You should carefully consider the risks described in the applicable prospectus supplement, together with all of the other information appearing in this prospectus or incorporated by reference into this prospectus, including without limitation, any risk factors discussed in our Annual Report on Form 10-K and any other filings made with the SEC, in light of your particular investment objectives and financial circumstances. The risks so described are not the only risks facing our company. Additional risks not presently known to us or that we currently deem immaterial may also impair our business operations. Our business, financial conditions, or results of operations could be materially adversely affected by any of these risks. The trading price of our securities could decline due to any of these risks, and you may lose all or part of your investment.

#### SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains forward-looking statements. We sometimes use words such as “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” “project” and similar expressions, as they relate to us, our management and our industry, to identify forward-looking statements. Forward-looking statements relate to our expectations, beliefs, plans, strategies, prospects, future performance, anticipated trends and other future events. We have based our forward-looking statements largely on our current expectations and projections about future events and financial trends affecting our business. Actual results may differ materially. Some of the risks, uncertainties and assumptions about us that may cause actual results to differ from these forward-looking statements include, but are not limited to:

- the success of our growth strategy and plans regarding opening new stores and entering adjacent and new markets, including our plans to continue expanding in existing markets;
- our ability to open and profitably operate new stores in existing, adjacent and new geographic markets;
- our intention to update, relocate or expand existing stores;
- our ability to introduce additional product categories;
- our ability to obtain capital for required capital expenditures and costs related to the opening of new stores or to update or expand existing stores;
- our ability to fund our operations, capital expenditures, debt repayment and expansion from cash flows from operations, borrowings from our revolving line of credit and proceeds from securitizations;
- our ability and our QSPE’s ability to obtain additional funding for the purpose of funding the receivables generated by us, including limitations on the ability of our QSPE to obtain financing through its commercial paper-based funding sources and its ability to maintain the current credit rating issued by a recognized statistical rating organization;
- the cost of any renewed or replacement credit facilities;
- the effect of rising interest rates that could increase our cost of borrowing or reduce securitization income;
- the effect of rising interest rates on sub-prime mortgage borrowers that could impair our customers’ ability to make payments on outstanding credit accounts;
- our inability to make customer financing programs available that allow consumers to purchase products at levels that can support our growth;
- the potential for deterioration in the delinquency status of the sold or owned credit portfolios or higher than historical net charge-offs in the portfolios could adversely impact earnings;
- technological and market developments, growth trends, and projected sales in the home appliance and consumer electronics industry, including, with respect to digital products, Blu-ray players, HDTV, GPS devices, home networking devices and other new products, and our ability to capitalize on such growth;
- the potential for price erosion or lower unit sales points that could result in declines in revenues and profit margins;
- the effect of changes in oil and gas prices that could adversely affect our customers’ shopping decisions and patterns, as well as the cost of our delivery and service operations and our cost of products, if vendors pass on their additional fuel costs through increased pricing for products;
- the ability to attract and retain qualified personnel;
- both the short-term and long-term impact of adverse weather conditions (*e.g.* hurricanes) that could result in volatility in our revenues and increased expenses and casualty losses;

- changes in laws and regulations and/or interest, premium and commission rates allowed by regulators on our credit, credit insurance, and service maintenance agreements as allowed by those laws and regulations;
- our relationships with key suppliers;
- the adequacy of our distribution and information systems and management experience to support our expansion plans;
- changes in the assumptions used in the valuation of our interests in securitized assets at fair value;
- the potential to record an impairment of our goodwill after completing our required annual assessment;
- the accuracy of our expectations regarding competition and our competitive advantages;
- changes in our stock price;
- the potential for market share erosion that could result in reduced revenues;
- the accuracy of our expectations regarding the similarity or dissimilarity of our existing markets as compared to new markets we enter;
- general economic conditions in the regions in which we operate; and
- the outcome of litigation affecting our business.

You are cautioned not to place undue reliance on any forward-looking statement. The forward-looking statements included or incorporated by reference into this prospectus reflect our views and assumptions only as of the date of this prospectus or the applicable incorporated document. We undertake no obligation to update publicly or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by law.

#### USE OF PROCEEDS

Unless otherwise provided in the applicable prospectus supplement, we currently intend to use the net proceeds from the sale of the securities under this prospectus for general corporate purposes, including general and administrative expenses, to repay or refinance debt, and for acquisitions of, or investment in, properties, companies, or assets that complement our business. We will set forth in a prospectus supplement relating to a specific offering our intended use for the net proceeds received from the sale of securities in that offering. Pending the application of the net proceeds, we intend to invest net proceeds in short-term investment grade and U.S. government securities.

#### RATIO OF EARNINGS TO FIXED CHARGES

Our ratios of earnings to fixed charges for the periods indicated below were as follows:

	Nine Months Ended October 31,		Year Ended January 31,				
	2008	2007	2008	2007	2006	2005	2004
Ratio of Earnings to Fixed Charges <sup>1)</sup>	3.10	6.19	6.64	7.37	8.13	5.96	3.75

<sup>1)</sup> Income before minority interest and income taxes includes non-cash fair value adjustments that reduced it by \$20.0 million, \$4.4 million and \$4.8 million, for the nine months ended October 31, 2008 and 2007, and the year ended January 31, 2008, respectively.

For the purpose of these computations, earnings have been calculated as the sum of (i) income before minority interest and income taxes and (ii) fixed charges. Fixed charges consist of the sum of (i) interest expensed and capitalized, amortized premiums, discounts and capitalized expenses related to indebtedness and (ii) an estimate of the interest within rental expense (calculated based on a reasonable approximation of the interest factor).

## DILUTION

We will set forth in a prospectus supplement the following information regarding any material dilution of the equity interests of investors purchasing securities in an offering under this prospectus:

- the net tangible book value per share of our equity securities before and after the offering;
- the amount of the increase in such net tangible book value per share attributable to the cash payments made by purchasers in the offering; and
- the amount of the immediate dilution from the public offering price which will be absorbed by such purchasers.

## THE SECURITIES WE MAY OFFER

The descriptions of the securities contained in this prospectus, together with the applicable prospectus supplements, summarize the material terms and provisions of the various types of securities that we may offer. We will describe in the applicable prospectus supplement relating to any securities the particular terms of the securities offered by that prospectus supplement. If we indicate in the applicable prospectus supplement, the terms of the securities may differ from the terms we have summarized below. We will also include in the prospectus supplement information, where applicable, about material U.S. federal income tax considerations relating to the securities, and the securities exchange, if any, on which the securities will be listed.

We may sell from time to time, in one or more offerings:

- common stock;
- preferred stock;
- debt securities;
- warrants to purchase any of the securities listed above; or
- any combination of the foregoing securities.

In this prospectus, we refer to the common stock, preferred stock, debt securities and warrants collectively as “securities.” The total dollar amount of all securities that we may issue under this prospectus will not exceed \$150,000,000.

If we issue debt securities at a discount from their original stated principal amount, then, for purposes of calculating the total dollar amount of all securities issued under this prospectus, we will treat the initial offering price of the debt securities as the total original principal amount of the debt securities.

This prospectus may not be used to consummate a sale of securities unless it is accompanied by a prospectus supplement.

## DESCRIPTION OF CAPITAL STOCK

The following description of our common stock and preferred stock, together with the additional information we include in any applicable prospectus supplements, summarizes the material terms and provisions of the common stock and preferred stock that we may offer under this prospectus. For the complete terms of our common stock and preferred stock, please refer to our certificate of incorporation and bylaws, which are incorporated by reference into the registration statement, of which this prospectus forms a part. The terms of our common stock and preferred stock may also be affected by Delaware law.

### Authorized Capital Stock

Our authorized capital stock consists of 40,000,000 shares of common stock, \$0.01 par value per share, and 1,000,000 shares of preferred stock, \$0.01 par value per share. As of February 13, 2009, we had 22,444,240 total shares of common stock outstanding and no shares of preferred stock outstanding.

## **Common Stock**

The holders of our common stock, subject to any rights that may be granted to any preferred stockholders, elect all directors and are entitled to one vote per share on all other matters coming before a stockholders' meeting. Our common stock has no cumulative voting rights. Accordingly, the holders of a majority of the shares of common stock entitled to vote in any election of directors can elect all of the directors standing for election, if they so choose. All shares of common stock participate equally in dividends when and as declared by the board of directors and in net assets on liquidation. The shares of common stock have no preemptive rights to participate in future stock offerings.

### ***Voting***

For all matters submitted to a vote of stockholders, each holder of common stock is entitled to one vote for each share registered in the stockholder's name. Our common stock does not have cumulative voting rights. Accordingly, holders of a majority of the shares of common stock entitled to vote in any election of directors may elect all of the directors standing for election. An election of directors by our stockholders is determined by a majority of the votes cast by the stockholders entitled to vote on the election, where a quorum is present.

### ***Dividends***

Holders of common stock are entitled to share ratably in any dividends declared by our board of directors, subject to any preferential dividend rights of any outstanding preferred stock. Dividends consisting of shares of common stock may be paid to holders of shares of common stock. It is our current policy to retain future earnings to finance operations and expansion. Accordingly, we have not, and do not contemplate, declaring or paying cash dividends in the foreseeable future. In addition, provisions in agreements governing our long-term indebtedness restrict the amount of dividends that we may pay to our stockholders. See "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations — Liquidity and Capital Resources" of our Annual Report on Form 10-K for the year ended January 31, 2008, and Item 2 of Part II of our Quarterly Report on Form 10-Q for the quarter ended October 31, 2008.

### ***Liquidation and Dissolution***

If we are liquidated or dissolve, the holders of our common stock will be entitled to share ratably in all the assets that remain after we pay our liabilities, subject to the prior rights of any outstanding preferred stock.

### ***Other Rights and Restrictions***

Holders of our common stock do not have preemptive rights, and they have no right to convert their common stock into any other securities. Our common stock is not subject to redemption by us. Our certificate of incorporation and bylaws do not restrict the ability of a holder of common stock to transfer the stockholder's shares of common stock. When we issue shares of common stock under this prospectus, the shares will be fully paid and non-assessable and will not have, or be subject to, any preemptive or similar rights.

### ***Listing***

Our common stock is listed on the NASDAQ Global Select Market, Inc. under the symbol "CONN." On February 13, 2009, the last reported sale price for our common stock on NASDAQ Global Select Market, Inc. was \$14.35 per share. As of February 13, 2009, we had approximately 51 stockholders of record.

### ***Transfer Agent and Registrar***

The transfer agent and registrar for our common stock is Computershare Limited.

***Stockholder Action; Special Meeting of Stockholders, Advance Notice Requirements for Stockholder Proposals and Director Nominations***

Our bylaws establish an advance notice procedure for stockholders to make nominations of candidates for election as directors and to bring other business before an annual meeting of our stockholders. For notice of stockholder nominations to be timely, the notice must be received by our secretary not later than the close of business on the 90th calendar day, nor earlier than the close of business on the 120th calendar day, prior to the first anniversary of the date of the preceding year's proxy statement in connection with the preceding year's annual meeting. In addition to these procedures, a stockholder's notice proposing to nominate a person for election as a director or relating to the conduct of business other than the nomination of directors must contain specified information. Otherwise, the chairman of a meeting may determine that an individual was not nominated or the other business was not properly brought before the meeting.

**Delaware Anti-takeover Provisions**

We are subject to Section 203 of the Delaware General Corporation Law. In general, the statute prohibits a publicly-held Delaware corporation from engaging in any "business combination" with any person deemed to be an "interested stockholder" for a period of three years following the date that the stockholder became an interested stockholder unless:

- prior to the date that the person became an interested stockholder, the board of directors of the corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;
- upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding those shares owned by persons who are directors and also officers and by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- on or subsequent to the date that the person became an interested stockholder, the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders by the affirmative vote of at least two-thirds of the outstanding voting stock not held by the interested stockholder.

Section 203 defines "business combination" to include:

- any merger or consolidation involving the corporation and the interested stockholder;
- any sale, lease, transfer, pledge, or other disposition involving the interested stockholder of 10% or more of the assets of the corporation;
- subject to certain exceptions, any transaction that results in the issuance or transfer by the corporation of any stock of the corporation to the interested stockholder;
- any transaction involving the corporation which directly or indirectly materially increases the proportionate share of stock owned by the interested stockholder; or
- the receipt by the interested stockholder of the benefit of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation.

In general, Section 203 defines an interested stockholder as any person beneficially owning 15% or more of the outstanding voting stock of the corporation and any person controlling, controlled by or under common control with that person.

*No Stockholder Action by Written Consent; Special Meetings.* Any action required or permitted to be taken by our stockholders must be effected at a duly called annual or special meeting of stockholders and may not be effected by written consent without a meeting unless approved in advance by our board of directors.

Special meetings of our stockholders for any purpose or purposes may be called only by our chairman of the board, our president or by a majority of our board of directors.

#### **Liability and Indemnification of Directors**

As permitted by the Delaware General Corporation Law, we have adopted provisions in our certificate of incorporation and bylaws that provide for the indemnification of our directors and officers to the fullest extent permitted by applicable law. These provisions, among other things, indemnify each of our directors and officers for certain expenses, including judgments, fines, and amounts paid in settling or otherwise disposing of actions or threatened actions, incurred by reason of the fact that such person was a director or officer of Conn's or of any other corporation which such person served in any capacity at the request of Conn's.

In addition, we have entered into indemnification agreements with each of our directors pursuant to which we will indemnify them against judgments, claims, damages, losses, and expenses incurred as a result of the fact that any director, in his capacity as a director, is made or threatened to be made a party to any suit or proceeding. The indemnification agreements also provide for the advancement of certain expenses (such as attorney's fees, witness fees, damages, judgments, fines and settlement costs) to our directors in connection with any such suit or proceeding.

We maintain a directors' and officers' liability insurance policy to insure our directors and officers against certain losses resulting from acts committed by them in their capacities as our directors and officers, including liabilities arising under the Securities Act of 1933.

#### **Preferred Stock**

Our certificate of incorporation authorizes our board to issue up to 1,000,000 shares of preferred stock in such series and with such preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications, or other provisions as may be fixed by the board. The issuance of preferred stock may have the effect of delaying, deferring or preventing a change in control of the company without further action by the stockholders. Shares of preferred stock may be convertible into common stock based on terms, conditions, rates and subject to such adjustments set by the board. The issuance of preferred stock with voting and conversion rights may adversely affect the voting power of the holders of common stock, including the loss of voting control to others. No shares of preferred stock are currently outstanding.

If we decide to issue any preferred stock pursuant to this prospectus, we will describe in a prospectus supplement the terms of the preferred stock, including, if applicable, the following:

- the title of the series and stated value;
- the number of shares of the series of preferred stock offered, the liquidation preference per share, if applicable, and the offering price;
- applicable dividend rate(s) or amount(s), period(s) and payment date(s) or method(s) of calculation thereof;
- the date from which dividends on the preferred stock will accumulate, if applicable;
- any procedures for auction and remarketing;
- any provisions for a sinking fund;
- any applicable provision for redemption and the price or prices, terms and conditions on which preferred stock may be redeemed;
- any securities exchange listing;
- any voting rights and powers;
- whether interests in the preferred stock will be represented by depository shares;

- the terms and conditions, if applicable, of conversion into shares of our common stock, including the conversion price or rate or manner of calculation thereof;
- a discussion of any material U.S. federal income tax considerations;
- the relative ranking and preference as to dividend rights and rights upon our liquidation, dissolution or the winding up of our affairs;
- any limitations on issuance of any series of preferred stock ranking senior to or on a parity with such series of preferred stock as to dividend rights and rights upon our liquidation, dissolution or the winding up of our affairs; and
- any other specific terms, preferences, rights, limitations or restrictions of such series of preferred stock.

#### DESCRIPTION OF DEBT SECURITIES

The following description, together with the additional information we include in any applicable prospectus supplements, summarizes the material terms and provisions of the debt securities that we may offer under this prospectus. While the terms we have summarized below will apply generally to any future debt securities we may offer, we will describe the particular terms of any debt securities that we may offer in more detail in the applicable prospectus supplement. If we indicate in a prospectus supplement, the terms of any debt securities we offer under that prospectus supplement may differ from the terms we describe below.

We will issue senior notes under a senior indenture, which we will enter into with a trustee to be named in the senior indenture. We will issue subordinated notes under a subordinated indenture, which we will enter into with a trustee to be named in the subordinated indenture. We have filed forms of these documents as exhibits to the registration statement, of which this prospectus forms a part. We use the term “indentures” to refer to both the senior indenture and the subordinated indenture. The indentures will be qualified under the Trust Indenture Act of 1939, or the Trust Indenture Act. We use the term “trustee” to refer to either the trustee under the senior indenture or the trustee under the subordinated indenture, as applicable.

The following summaries of material provisions of senior notes, subordinated notes and the indentures are subject to, and qualified in their entirety by reference to, the provisions of the indenture applicable to a particular series of debt securities. Except as we may otherwise indicate, the terms of the senior indenture and the subordinated indenture are identical.

#### General

If we decide to issue any senior notes or subordinated notes pursuant to this prospectus, we will describe in a prospectus supplement the terms of the series of notes, including the following:

- the title;
- any limit on the amount that may be issued;
- whether or not we will issue the series of notes in global form, and, if so, who the depository will be;
- the maturity date;
- the annual interest rate, which may be fixed or variable, or the method for determining the rate and the date interest will begin to accrue, the dates interest will be payable and the regular record dates for interest payment dates or the method for determining such dates;
- whether or not the notes will be secured or unsecured, and the terms of any secured debt;
- whether or not the notes will be senior or subordinated;
- the terms of the subordination of any series of subordinated debt;
- the place where payments will be payable;

- our right, if any, to defer payment of interest and the maximum length of any such deferral period;
- the date, if any, after which, and the price at which, we may, at our option, redeem the series of notes pursuant to any optional redemption provisions;
- the date, if any, on which, and the price at which we are obligated, pursuant to any mandatory sinking fund provisions or otherwise, to redeem, or at the holder's option to purchase, the series of notes;
- whether the indenture will restrict our ability to pay dividends, or will require us to maintain any asset ratios or reserves;
- whether we will be restricted from incurring any additional indebtedness;
- a discussion of any material or special U.S. federal income tax considerations;
- the denominations in which we will issue the series of notes, if other than denominations of \$1,000 and any integral multiple thereof; and
- any other specific terms, preferences, rights or limitations of, or restrictions on, the debt securities.

#### **Guarantees**

Each of the subsidiary guarantors, if any, with respect to a series of debt securities will fully and unconditionally guarantee on an unsecured basis the full and prompt payment of the principal of and any premium and interest on the notes of that series when and as the payment becomes due and payable, whether at maturity or otherwise. As used in this prospectus, the term "subsidiary guarantors" with respect to a series of debt securities refers to our subsidiaries, if any, that guarantee that series of debt securities. The applicable prospectus supplement will name the subsidiary guarantors, if any, for that series of debt securities and will describe the terms of the guarantee by the subsidiary guarantors, if they differ from the terms described in this prospectus. The guarantees, if made, will provide that in the event of a default in the payment of principal of or any premium or interest on a note, the holder of that note may institute legal proceedings directly against the subsidiary guarantors to enforce the guarantees without first proceeding against us. If senior debt securities are so guaranteed, the guarantees will rank equally with all of the subsidiary guarantors' other unsecured and unsubordinated debt from time to time outstanding and senior to any subordinated debt of the subsidiary guarantors. If subordinated debt securities are so guaranteed, the guarantees will be subordinated to all of the subsidiary guarantors' other unsecured and unsubordinated debt from time to time outstanding.

The obligations of each subsidiary guarantor under its guarantee of the debt securities will be limited to the maximum amount that will not result in the obligations of the subsidiary guarantor under the guarantee constituting a fraudulent conveyance or fraudulent transfer under federal or state law, after giving effect to:

- all other contingent and fixed liabilities of the subsidiary guarantor; and
- any collections from or payments made by or on behalf of any other subsidiary guarantors in respect of the obligations of the subsidiary guarantor under its guarantee.

The guarantee of any subsidiary guarantor may be released under certain circumstances. If we exercise our legal or covenant defeasance option with respect to notes of a particular series as described below in "— Discharge," then any subsidiary guarantor will be released with respect to that series.

Further, if no default has occurred and is continuing under the applicable indenture, and to the extent not otherwise prohibited by the applicable indenture, a subsidiary guarantor will be unconditionally released and discharged from the guarantee:

- automatically upon any sale, exchange or transfer, whether by way of merger or otherwise, to any person that is not our affiliate, of all of our equity interests in the subsidiary guarantor;
- automatically upon the merger of the subsidiary guarantor into us or any other subsidiary guarantor or the liquidation and dissolution of the subsidiary guarantor; or

- following delivery of a written notice by us to the trustee, upon the release of all guarantees by the subsidiary guarantor of any debt of ours for borrowed money, except for any series of notes under the indenture.

#### **Conversion or Exchange Rights**

We will set forth in the applicable prospectus supplement the terms on which a series of debt securities may be convertible into or exchangeable for common stock or other securities of ours. We will include provisions as to whether conversion or exchange is mandatory, at the option of the holder or at our option. We may include provisions pursuant to which the number of shares of common stock or other securities of ours that the holders of the series of debt securities receive would be subject to adjustment.

#### **Consolidation, Merger or Sale**

The indentures do not contain any covenant that restricts our ability to merge or consolidate, or sell, convey, transfer or otherwise dispose of all or substantially all of our assets. However, any successor to or acquirer of such assets must assume all of our obligations under the indentures or the debt securities, as appropriate.

#### **Events of Default Under the Indentures**

The following are events of default under the indentures with respect to any series of debt securities that we may issue:

- If we fail to pay interest when due and our failure continues for 90 days and the time for payment has not been extended or deferred;
- if we fail to pay the principal, or premium, if any, when due and the time for payment has not been extended or delayed;
- if we fail to observe or perform any other covenant contained in the notes or the indentures, other than a covenant specifically relating to another series of notes, and our failure continues for 90 days after we receive notice from the trustee or holders of at least 25% in aggregate principal amount of the outstanding notes of the applicable series; and
- if we experience specified events of bankruptcy, insolvency or reorganization.

If an event of default with respect to debt securities of any series occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series, by notice to us in writing, and to the trustee if notice is given by such holders, may declare the unpaid principal of, or premium, if any, on and accrued interest, if any, on the debt securities due and payable immediately.

If an event of default with respect to debt securities of any series occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the outstanding notes of that series, by notice to us in writing, and to the trustee if notice is given by such holders, may declare the unpaid principal of, or premium, if any, on and accrued interest, if any, on the notes due and payable immediately.

The holders of a majority in principal amount of the outstanding debt securities of an affected series may waive any default or event of default with respect to the series and its consequences, except uncured defaults or events of default regarding payment of principal, or premium, if any, or interest, unless we have cured the default or event of default in accordance with the indenture. Any waiver shall cure the default or event of default.

Subject to the terms of the indentures, if an event of default under an indenture shall occur and be continuing, the trustee will be under no obligation to exercise any of its rights or powers under such indenture at the request or direction of any of the holders of the applicable series of debt securities, unless such holders have offered the trustee reasonable indemnity. The holders of a majority in principal amount of the outstanding debt securities of any series will have the right to direct the time, method and place of conducting any

proceeding for any remedy available to the trustee, or exercising any trust or power conferred on the trustee, with respect to the notes of that series, *provided that*:

- the direction so given by the holder is not in conflict with any law or the applicable indenture; and
- subject to its duties under the Trust Indenture Act, the trustee need not take any action that might involve it in personal liability or might be unduly prejudicial to the holders not involved in the proceeding.

A holder of the debt securities of any series will only have the right to institute a proceeding under the indentures or to appoint a receiver or trustee, or to seek other remedies, if:

- the holder has given written notice to the trustee of a continuing event of default with respect to that series;
- the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series have made written request, and such holders have offered reasonable indemnity to the trustee to institute the proceeding as trustee; and
- the trustee does not institute the proceeding, and does not receive from the holders of a majority in aggregate principal amount of the outstanding debt securities of that series other conflicting directions within 60 days after the notice, request and offer.

These limitations do not apply to a suit instituted by a holder of debt securities if we default in the payment of the principal of, or the premium, if any, or interest on, the debt securities.

We will periodically file statements with the trustee regarding our compliance with specified covenants in the indentures.

#### **Modification of Indenture; Waiver**

We and the trustee may change an indenture without the consent of any holders with respect to specific matters, including:

- to fix any ambiguity, defect or inconsistency in the indenture; or
- to change anything that does not materially adversely affect the interests of any holder of notes of any series.

In addition, under the indentures, we and the trustee may change the rights of holders of a series of debt securities with the written consent of the holders of at least a majority in aggregate principal amount of the outstanding debt securities of each series that is affected. However, we and the trustee may only make the following changes with the consent of each holder of any outstanding debt securities affected:

- extending the fixed maturity of the series of debt securities;
- reducing the principal amount, the rate of interest or any premium payable upon the redemption of any debt securities;
- reducing the minimum percentage of notes, the holders of which are required to consent to any amendment.

#### **Discharge**

Each indenture provides that we can elect, under specified circumstances, to be discharged from our obligations with respect to one or more series of debt securities, except for obligations to:

- register the transfer or exchange of debt securities of the series;
- replace stolen, lost or mutilated debt securities of the series;
- maintain paying agencies;

- hold monies for payment in trust;
- compensate and indemnify the trustee; and
- appoint any successor trustee.

In order to exercise our rights to be discharged, we must deposit with the trustee money or government obligations sufficient to pay all the principal of, any premium, if any, and interest on, the debt securities of the series on the dates payments are due.

#### **Form, Exchange and Transfer**

We will issue the debt securities of each series only in fully registered form without coupons and, unless we otherwise specify in the applicable prospectus supplement, in denominations of \$1,000 and any integral multiple thereof. The indentures provide that we may issue notes of a series in temporary or permanent global form and as book-entry securities that will be deposited with, or on behalf of, The Depository Trust Company, New York, New York, or DTC, or another depository named by us and identified in a prospectus supplement with respect to that series. See “Legal Ownership of Securities” for a further description of the terms relating to any book-entry securities.

At the option of the holder, subject to the terms of the indentures and the limitations applicable to global securities described in the applicable prospectus supplement, the holder of the debt securities of any series can exchange the debt securities for other debt securities of the same series, in any authorized denomination and of like tenor and aggregate principal amount.

Subject to the terms of the indentures and the limitations applicable to global securities set forth in the applicable prospectus supplement, holders of the debt securities may present the debt securities for exchange or for registration of transfer, duly endorsed or with the form of transfer endorsed thereon duly executed if so required by us or the security registrar, at the office of the security registrar or at the office of any transfer agent designated by us for this purpose. Unless otherwise provided in the debt securities that the holder presents for transfer or exchange, we will not require any payment for any registration of transfer or exchange, but we may require payment of any taxes or other governmental charges.

We will name in the applicable prospectus supplement the security registrar, and any transfer agent in addition to the security registrar, that we initially designate for any debt securities. We may at any time designate additional transfer agents or rescind the designation of any transfer agent or approve a change in the office through which any transfer agent acts, except that we will be required to maintain a transfer agent in each place of payment for the notes of each series.

If we elect to redeem the debt securities of any series, we will not be required to:

- reissue, register the transfer of, or exchange any notes of that series during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of any debt securities that may be selected for redemption and ending at the close of business on the day of the mailing; or
- register the transfer of or exchange any notes so selected for redemption, in whole or in part, except the unredeemed portion of any notes we are redeeming in part.

#### **Information Concerning the Trustee**

The trustee, other than during the occurrence and continuance of an event of default under an indenture, undertakes to perform only those duties as are specifically set forth in the applicable indenture. Upon an event of default under an indenture, the trustee must use the same degree of care and skill as a prudent person would exercise or use in the conduct of his or her own affairs. Subject to this provision, the trustee is under no obligation to exercise any of the powers given to it by the indentures at the request of any holder of notes unless it is offered reasonable security and indemnity against the costs, expenses and liabilities that it might incur.

### **Payment and Paying Agents**

Unless we otherwise indicate in the applicable prospectus supplement, we will make payment of the interest on any debt securities on any interest payment date to the person in whose name the debt securities, or one or more predecessor securities, are registered at the close of business on the regular record date for the interest payment.

We will pay principal of and any premium and interest on the notes of a particular series at the office of the paying agents designated by us, except that unless we otherwise indicate in the applicable prospectus supplement, we will make interest payments by check which we will mail to the holder. Unless we otherwise indicate in a prospectus supplement, we will designate the corporate trust office of the trustee in The City of New York as our sole paying agent for payments with respect to notes of each series. We will name in the applicable prospectus supplement any other paying agents that we initially designate for the notes of a particular series. We will maintain a paying agent in each place of payment for the notes of a particular series.

All money we pay to a paying agent or the trustee for the payment of the principal of or any premium or interest on any notes which remains unclaimed at the end of two years after such principal, premium or interest has become due and payable will be repaid to us, and the holder of the security thereafter may look only to us for payment thereof.

### **Governing Law**

The indentures and the notes will be governed by and construed in accordance with the laws of the State of New York, except to the extent that the Trust Indenture Act is applicable.

### **Subordination of Subordinated Notes**

The subordinated debt securities will be unsecured and will be subordinate and junior in priority of payment to certain of our other indebtedness to the extent described in a prospectus supplement. The subordinated indenture does not limit the amount of subordinated debt securities that we may issue. It also does not limit us from issuing any other secured or unsecured debt.

## **DESCRIPTION OF WARRANTS**

The following description, together with the additional information we may include in any applicable prospectus supplements, summarizes the material terms and provisions of the warrants that we may offer under this prospectus and the related warrant agreements and warrant certificates. While the terms summarized below will apply generally to any warrants that we may offer, we will describe the particular terms of any series of warrants in more detail in the applicable prospectus supplement. If we indicate in the prospectus supplement, the terms of any warrants offered under that prospectus supplement may differ from the terms described below. Specific warrant agreements will contain additional important terms and provisions and will be incorporated by reference as an exhibit to the registration statement, of which this prospectus forms a part.

### **General**

We may issue warrants for the purchase of common stock, preferred stock or debt securities in one or more series. We may issue warrants independently or together with common stock, preferred stock and debt securities, and the warrants may be attached to or separate from these securities.

We will evidence each series of warrants by warrant certificates that we will issue under a separate agreement with a warrant agent. We will indicate the name and address and other information regarding the warrant agent in the applicable prospectus supplement relating to a particular series of warrants.

If we decide to issue warrants pursuant to this prospectus, we will specify in a prospectus supplement the terms of the series of warrants, including, if applicable, the following:

- the offering price and aggregate number of warrants offered;

- the currency for which the warrants may be purchased;
- the designation and terms of the securities with which the warrants are issued and the number of warrants issued with each such security or each principal amount of such security;
- the date on and after which the warrants and the related securities will be separately transferable;
- in the case of warrants to purchase debt securities, the principal amount of debt securities purchasable upon exercise of one warrant and the price at, and currency in which, this principal amount of debt securities may be purchased upon such exercise;
- in the case of warrants to purchase common stock, the number of shares of common stock purchasable upon exercise of one warrant and the price at which these shares may be purchased upon such exercise;
- the effect of any merger, consolidation, sale or other disposition of our business on the warrant agreement and the warrants;
- the terms of any rights to redeem or call the warrants;
- any provisions for changes to or adjustments in the exercise price or number of securities issuable upon exercise of the warrants;
- the dates on which the right to exercise the warrants will commence and expire;
- the manner in which the warrant agreement and warrants may be modified;
- a discussion of any material U.S. federal income tax considerations of holding or exercising the warrants;
- the terms of the securities issuable upon exercise of the warrants; and
- any other specific terms, preferences, rights or limitations of or restrictions on the warrants.

Before exercising their warrants, holders of warrants will not have any of the rights of holders of the securities purchasable upon such exercise, including:

- the case of warrants to purchase debt securities, the right to receive payments of principal of, or premium, if any, or interest on, the debt securities purchasable upon exercise or to enforce covenants in the applicable indenture; or
- in the case of warrants to purchase common stock or preferred stock, the right to receive dividends, if any, or payments upon our liquidation, dissolution or winding up or to exercise voting rights, if any.

#### **Exercise of Warrants**

Each warrant will entitle the holder to purchase the securities that we specify in the applicable prospectus supplement at the exercise price that we describe in the applicable prospectus supplement. Unless we otherwise specify in the applicable prospectus supplement, holders of the warrants may exercise the warrants at any time up to 5:00 p.m. Eastern time on the expiration date that we set forth in the applicable prospectus supplement. After the close of business on the expiration date, unexercised warrants will become void.

Holders of the warrants may exercise the warrants by delivering the warrant certificate representing the warrants to be exercised together with specified information, and paying the required amount to the warrant agent in immediately available funds, as provided in the applicable prospectus supplement. We will set forth on the reverse side of the warrant certificate and in the applicable prospectus supplement the information that the holder of the warrant will be required to deliver to the warrant agent.

Upon receipt of the required payment and the warrant certificate properly completed and duly executed at the corporate trust office of the warrant agent or any other office indicated in the applicable prospectus supplement, we will issue and deliver the securities purchasable upon such exercise. If fewer than all of the warrants represented by the warrant certificate are exercised, then we will issue a new warrant certificate for

the remaining amount of warrants. If we so indicate in the applicable prospectus supplement, holders of the warrants may surrender securities as all or part of the exercise price for warrants.

#### **Enforceability of Rights by Holders of Warrants**

Each warrant agent will act solely as our agent under the applicable warrant agreement and will not assume any obligation or relationship of agency or trust with any holder of any warrant. A single bank or trust company may act as warrant agent for more than one issue of warrants. A warrant agent will have no duty or responsibility in case of any default by us under the applicable warrant agreement or warrant, including any duty or responsibility to initiate any proceedings at law or otherwise, or to make any demand upon us. Any holder of a warrant may, without the consent of the related warrant agent or the holder of any other warrant, enforce by appropriate legal action its right to exercise, and receive the securities purchasable upon exercise of, its warrants.

#### **LEGAL OWNERSHIP OF SECURITIES**

We can issue securities in registered form or in the form of one or more global securities. We describe global securities in greater detail below. We refer to those persons who have securities registered in their own names on the books that we or any applicable trustee maintain for this purpose as the “holders” of those securities. These persons are the legal holders of the securities. We refer to those persons who, indirectly through others, own beneficial interests in securities that are not registered in their own names as “indirect holders” of those securities. As we discuss below, indirect holders are not legal holders, and investors in securities issued in book-entry form or in street name will be indirect holders.

#### **Book-Entry Holders**

We may issue securities in book-entry form only, as we will specify in the applicable prospectus supplement. This means securities may be represented by one or more global securities registered in the name of a financial institution that holds them as depositary on behalf of other financial institutions that participate in the depositary’s book-entry system. These participating institutions, which are referred to as participants, in turn, hold beneficial interests in the securities on behalf of themselves or their customers.

Only the person in whose name a security is registered is recognized as the holder of that security. Securities issued in global form will be registered in the name of the depositary or its nominee. Consequently, for securities issued in global form, we will recognize only the depositary as the holder of the securities, and we will make all payments on the securities to the depositary. The depositary passes along the payments it receives to its participants, which will in turn pass the payments along to their customers who are the beneficial owners. The depositary and its participants do so under agreements they have made with one another or with their customers; they are not obligated to do so under the terms of the securities.

As a result, investors in a book-entry security will not own securities directly. Instead, they will own beneficial interests in a global security, through a bank, broker or other financial institution that participates in the depositary’s book-entry system or holds an interest through a participant. As long as the securities are issued in global form, investors will be indirect holders, and not holders, of the securities.

#### **Street Name Holders**

We may terminate a global security or issue securities in non-global form. In these cases, investors may choose to hold their securities in their own names or in “street name.” Securities held by an investor in street name would be registered in the name of a bank, broker or other financial institution that the investor chooses, and the investor would hold only a beneficial interest in those securities through an account he or she maintains at that institution.

For securities held in street name, we will recognize only the intermediary banks, brokers and other financial institutions in whose names the securities are registered as the holders of those securities, and we will make all payments on those securities to them. These institutions pass along the payments they receive to

their customers who are the beneficial owners, but only because they agree to do so in their customer agreements or because they are legally required to do so. Investors who hold securities in street name will be indirect holders, not holders, of those securities.

#### **Legal Holders**

Our obligations, as well as the obligations of any applicable trustee and of any third parties employed by us or a trustee, run only to the legal holders of the securities. We do not have obligations to investors who hold beneficial interests in global securities, in street name or by any other indirect means. This will be the case whether an investor chooses to be an indirect holder of a security or has no choice because we are issuing the securities only in global form.

For example, once we make a payment or give a notice to the holder, we have no further responsibility for the payment or notice even if that holder is required, under agreements with depository participants or customers or by law, to pass it along to the indirect holders but does not do so. Similarly, we may want to obtain the approval of the holders to amend an indenture, to relieve us of the consequences of a default or of our obligation to comply with a particular provision of the indenture or for other purposes. In such an event, we would seek approval only from the holders, and not the indirect holders, of the securities. Whether and how the holders contact the indirect holders is up to the holders.

#### **Special Considerations For Indirect Holders**

If you hold securities through a bank, broker or other financial institution, either in book-entry form or in street name, you should check with your own institution to find out:

- how it handles securities payments and notices;
- whether it imposes fees or charges;
- how it would handle a request for the holders' consent, if ever required;
- whether and how you can instruct it to send you securities registered in your own name so you can be a holder, if that is permitted in the future;
- how it would exercise rights under the securities if there were a default or other event triggering the need for holders to act to protect their interests; and
- if the securities are in book-entry form, how the depository's rules and procedures will affect these matters.

#### **Global Securities**

A global security is a security held by a depository that represents one or any other number of individual securities. Generally, all securities represented by the same global securities will have the same terms.

Each security issued in book-entry form will be represented by a global security that we deposit with and register in the name of a financial institution or its nominee that we select. The financial institution that we select for this purpose is called the depository. Unless we specify otherwise in the applicable prospectus supplement, DTC will be the depository for all securities issued in book-entry form.

A global security may not be transferred to or registered in the name of anyone other than the depository, its nominee or a successor depository, unless special termination situations arise. We describe those situations below under "— Special Situations When a Global Security Will Be Terminated." As a result of these arrangements, the depository, or its nominee, will be the sole registered owner and holder of all securities represented by a global security, and investors will be permitted to own only beneficial interests in a global security. Beneficial interests must be held by means of an account with a broker, bank or other financial institution that in turn has an account with the depository or with another institution that does. Thus, an investor whose security is represented by a global security will not be a holder of the security, but only an indirect holder of a beneficial interest in the global security.

If the prospectus supplement for a particular security indicates that the security will be issued in global form only, then the security will be represented by a global security at all times unless and until the global security is terminated. If termination occurs, we may issue the securities through another book-entry clearing system or decide that the securities may no longer be held through any book-entry clearing system.

#### **Special Considerations For Global Securities**

As an indirect holder, an investor's rights relating to a global security will be governed by the account rules of the investor's financial institution and of the depository, as well as general laws relating to securities transfers. We do not recognize an indirect holder as a holder of securities and instead deal only with the depository that holds the global security.

If securities are issued only in the form of a global security, an investor should be aware of the following:

- an investor cannot cause the securities to be registered in his or her name and cannot obtain non-global certificates for his or her interest in the securities, except in the special situations we describe below;
- an investor will be an indirect holder and must look to his or her own bank or broker for payments on the securities and protection of his or her legal rights relating to the securities, as we describe above under "— Legal Holders";
- an investor may not be able to sell interests in the securities to some insurance companies and to other institutions that are required by law to own their securities in non-book-entry form;
- an investor may not be able to pledge his or her interest in a global security in circumstances where certificates representing the securities must be delivered to the lender or other beneficiary of the pledge in order for the pledge to be effective;
- the depository's policies, which may change from time to time, will govern payments, transfers, exchanges and other matters relating to an investor's interest in a global security. We and any applicable trustee have no responsibility for any aspect of the depository's actions or for its records of ownership interests in a global security. We and the trustee also do not supervise the depository in any way;
- the depository may, and we understand that DTC will, require that those who purchase and sell interests in a global security within its book-entry system use immediately available funds, and your broker or bank may require you to do so as well; and
- financial institutions that participate in the depository's book-entry system, and through which an investor holds its interest in a global security, may also have their own policies affecting payments, notices and other matters relating to the securities. There may be more than one financial intermediary in the chain of ownership for an investor. We do not monitor and are not responsible for the actions of any of those intermediaries.

#### **Special Situations When A Global Security Will Be Terminated**

In a few special situations described below, the global security will terminate and interests in it will be exchanged for physical certificates representing those interests. After that exchange, the choice of whether to hold securities directly or in street name will be up to the investor. Investors must consult their own banks or brokers to find out how to have their interests in securities transferred to their own name, so that they will be direct holders. We have described the rights of holders and street name investors above.

The global security will terminate when the following special situations occur:

- if the depository notifies us that it is unwilling, unable or no longer qualified to continue as depository for that global security and we do not appoint another institution to act as depository within 90 days;
- if we notify any applicable trustee that we wish to terminate that global security; or
- if an event of default has occurred with regard to securities represented by that global security and has not been cured or waived.

The prospectus supplement may also list additional situations for terminating a global security that would apply only to the particular series of securities covered by the prospectus supplement. When a global security terminates, the depositary, and not we or any applicable trustee, is responsible for deciding the names of the institutions that will be the initial direct holders.

#### PLAN OF DISTRIBUTION

We may sell the securities being offered hereby in one or more of the following ways from time to time:

- through agents to the public or to investors;
- to one or more underwriters for resale to the public or to investors;
- in “at the market offerings,” within the meaning of Rule 415(a)(4) of the Securities Act of 1933, as amended, the Securities Act, to or through a market maker or into an existing trading market, on an exchange or otherwise;
- directly to investors in privately negotiated transactions; or
- through a combination of these methods of sale.

The securities that we distribute by any of these methods may be sold, in one or more transactions, at:

- a fixed price or prices, which may be changed;
- market prices prevailing at the time of sale;
- prices related to prevailing market prices; or
- negotiated prices.

We will set forth in a prospectus supplement the terms of the offering of securities, including:

- the name or names of any agents or underwriters;
- the purchase price of the securities being offered and the proceeds we will receive from the sale;
- any over-allotment options under which underwriters may purchase additional securities from us;
- any agency fees or underwriting discounts and other items constituting agents’ or underwriters’ compensation;
- the public offering price;
- any discounts or concessions allowed or reallocated or paid to dealers; and
- any securities exchanges on which such securities may be listed.

#### Underwriters

If we use underwriters for a sale of securities, the underwriters will acquire the securities for their own account. The underwriters may resell the securities in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters to purchase the securities will be subject to the conditions set forth in the applicable underwriting agreement. The underwriters will be obligated to purchase all the securities of the series offered if they purchase any of the securities of that series. We may change from time to time any initial public offering price and any discounts or concessions the underwriters allow or reallocate or pay to dealers. We may use underwriters with whom we have a material relationship. We will describe in the prospectus supplement naming the underwriter the nature of any such relationship.

**Agents**

We may designate agents who agree to use their reasonable efforts to solicit purchases for the period of their appointment or to sell securities on a continuing basis.

**Direct Sales**

We may also sell securities directly to one or more purchasers without using underwriters or agents.

Underwriters, dealers and agents that participate in the distribution of the securities may be underwriters as defined in the Securities Act and any discounts or commissions they receive from us and any profit on their resale of the securities may be treated as underwriting discounts and commissions under the Securities Act. We will identify in the applicable prospectus supplement any underwriters, dealers or agents and will describe their compensation. We may have agreements with the underwriters, dealers and agents to indemnify them against specified civil liabilities, including liabilities under the Securities Act. Underwriters, dealers and agents may engage in transactions with or perform services for us in the ordinary course of their businesses.

**Trading Markets and Listing of Securities**

Unless otherwise specified in the applicable prospectus supplement, each class or series of securities will be a new issue with no established trading market, other than our common stock, which is listed on The NASDAQ Global Select Market. We may elect to list any other class or series of securities on any exchange, but we are not obligated to do so. It is possible that one or more underwriters may make a market in a class or series of securities, but the underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot give any assurance as to the liquidity of the trading market for any of the securities.

**Stabilization Activities**

In connection with an offering, an underwriter may purchase and sell securities in the open market. These transactions may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the underwriters of a greater number of securities than they are required to purchase in the offering. "Covered" short sales are sales made in an amount not greater than the underwriters' option to purchase additional securities, if any, from us in the offering. If the underwriters have an over-allotment option to purchase additional securities from us, the underwriters may close out any covered short position by either exercising their over-allotment option or purchasing securities in the open market. In determining the source of securities to close out the covered short position, the underwriters may consider, among other things, the price of securities available for purchase in the open market as compared to the price at which they may purchase securities through the over-allotment option. "Naked" short sales are any sales in excess of such option or where the underwriters do not have an over-allotment option. The underwriters must close out any naked short position by purchasing securities in the open market. A naked short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of the securities in the open market after pricing that could adversely affect investors who purchase in the offering.

Accordingly, to cover these short sales positions or to otherwise stabilize or maintain the price of the securities, the underwriters may bid for or purchase securities in the open market and may impose penalty bids. If penalty bids are imposed, selling concessions allowed to syndicate members or other broker-dealers participating in the offering are reclaimed if securities previously distributed in the offering are repurchased, whether in connection with stabilization transactions or otherwise. The effect of these transactions may be to stabilize or maintain the market price of the securities at a level above that which might otherwise prevail in the open market. The impositions of a penalty bid may also affect the price of the securities to the extent that it discourages resale of the securities. The magnitude or effect of any stabilization or other transactions is uncertain. These transactions may be effected on The NASDAQ Global Market or otherwise and, if commenced, may be discontinued at any time.

**Item 15. Indemnification of Directors and Officers**

Section 102 of the Delaware General Corporation Law, or DGCL, as amended, allows a corporation to eliminate the personal liability of directors of a corporation to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of the DGCL or obtained an improper personal benefit.

Section 145 of the DGCL empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit, or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe that such person's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, does not, of itself, create a presumption that such person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.

In the case of an action by or in the right of the corporation, Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action in any of the capacities set forth above against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in and not opposed to the best interests of the corporation, except that indemnification is not permitted in respect of any claim, issue, or matter as to which such person is adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought determines upon application that, despite the adjudicate of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court deems proper. Section 145 further provides: that a Delaware corporation is required to indemnify a director, officer, employee, or agent against expenses (including attorneys' fees) actually and reasonably incurred by such

person in connection with any action, suit, or proceeding or in defense of any claim, issue, or matter therein as to which such person has been successful on the merits or otherwise; that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; that indemnification provided for by Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of such person's heirs, executors, and administrators; and empowers the corporation to purchase and maintain insurance on behalf of a director or officer against any such liability asserted against such person in any such capacity or arising out of such person's status as such whether or not the corporation would have the power to indemnify him against liability under Section 145. A Delaware corporation may provide indemnification only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct. Such determination is to be made (i) by the board of directors by a majority vote of a quorum consisting of directors who were not party to such action, suit, or proceeding, or (ii) if such a quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (iii) by the stockholders.

Section 174 of the DGCL provides, among other things, that a director, who willfully or negligently approves of an unlawful payment of dividends or an unlawful purchase or redemption of stock, may be held liable for such actions. A director who was either absent when the unlawful actions were approved or dissented at the time, may avoid liability by causing his or her dissent to such actions to be entered in the books containing minutes of the meetings of the board of directors at the time such action occurred or immediately after such absent director receives notice of the unlawful acts.

The above is a general summary of certain indemnity provisions of the DGCL and is subject, in all cases, to the specific and detailed provisions of the Sections referenced herein.

We have included in our By-Laws provisions to indemnify our directors and officers, as permitted by the DGCL. Our Certificate of Incorporation also provides that we shall have the power to provide indemnification to the fullest extent permitted by Section 145 of the DGCL.

We entered into indemnification agreements with our directors and certain of our officers under which we agreed to provide indemnification and expense reimbursement as outlined above.

**Item 17. Undertakings**

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (§230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (i), (ii) and (iii) do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated

by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to

section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned Registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Securities and Exchange Commission under Section 305(b)(2) of the Trust Indenture Act.

The Registration Statement relates to the offering from time to time as set forth in the Registration Statement, pursuant to Rule 415 under the Act, the form of prospectus contained therein (the "Prospectus") and one or more supplements to the Prospectus (each, a "Prospectus Supplement"), of (i) debt securities in one or more series, which may be senior ("Senior Debt Securities") or subordinated ("Subordinated Debt Securities" and, together with the Senior Debt Securities, the "Debt Securities"), (ii) shares of common stock, par value \$.01 per share ("Common Stock"), (iii) shares of preferred stock, par value \$.01 per share ("Preferred Stock"), (iv) warrants for the purchase of Debt Securities, Common Stock or Preferred Stock ("Warrants") and (v) guarantees of Debt Securities by the Guarantors ("Guarantees"), having an aggregate initial public offering price not to exceed \$150,000,000, and each on terms to be determined at the time of its offering. The Debt Warrants will be issued under a debt warrant agreement (the "Debt Warrant Agreement") between the Company and a financial institution to be determined, as debt warrant agent. The Stock Warrant Agreement and the Debt Warrant Agreement are collectively referred to herein as the "Warrant Agreements".

We have examined the Registration Statement, the form of Senior Debt Securities Indenture and the form of Subordinated Debt Securities Indenture, which forms have been filed with the Commission as exhibits to the Registration Statement.

In connection with the foregoing, we also have examined originals or copies of such corporate records, as applicable, of the Company and the Guarantors, certificates and other communications of public officials, certificates of officers of the Company and the Guarantors and such other records, agreements, instruments and other documents as we have deemed necessary for the purpose of rendering the opinions expressed herein. As to questions of fact material to those opinions, we have, to the extent we deemed appropriate, relied on certificates of officers of the Company and the Guarantors and on certificates and other communications of public officials. We have assumed the genuineness of all signatures on, and the authenticity of, all documents submitted to us as originals, the conformity to authentic original documents of all documents submitted to us as copies, the due authorization, execution and delivery by the parties thereto of all documents examined by us, and the legal capacity of each individual who signed any of those documents.

In rendering the opinions expressed below with respect to the Securities, we have assumed that:

- (1) the Registration Statement and any amendments thereto (including post-effective amendments) will have become effective and comply with all applicable laws;
  - (2) a Prospectus Supplement with respect to each issued Security will have been prepared and filed with the Commission describing the corresponding Securities offered thereby;
  - (3) all Securities will be issued and sold in compliance with applicable federal and state securities laws and in the manner stated in the Registration Statement, as amended and in effect, and the corresponding Prospectus Supplement;
-

- (4) a definitive purchase, underwriting or similar agreement with respect to any Securities offered will have been duly authorized and validly executed and delivered by the Company and the other parties thereto;
  - (5) the Certificate of Incorporation and Bylaws of the Company or similar governing documents of any of the Guarantors will not have been amended in any manner that would affect any legal conclusion set forth herein, and any Certificate of Designation in respect of Preferred Stock will be in conformity therewith and with applicable law;
  - (6) the consideration paid for any shares of Common Stock or Preferred Stock will comply with Section 153(a) or (b) of the Delaware General Corporation Law (the "DGCL") or any successor provision;
  - (7) at the time of any offering or sale of Securities, the Company will have such number of shares of Common Stock or Preferred Stock, if applicable, as set forth in such offering or sale, authorized and available for issuance;
  - (8) all Securities issuable upon conversion, exchange or exercise of any Security being offered will be duly authorized, created and, if appropriate, reserved for issuance upon such conversion, exchange or exercise;
  - (9) each supplemental indenture to either Indenture pursuant to which any series of Debt Securities are issued will comply with such Indenture as theretofore supplemented and related to such series, and the form and terms of such Debt Securities will comply with such Indenture as then supplemented and related to such series (including by such supplemental indenture);
  - (10) none of the terms of any Security to be established subsequent to the date hereof nor the issuance and delivery of such Security, nor the compliance by the Company and the Guarantors with the terms of such Security, will violate any applicable law or will result in the violation of any provision of any instrument or agreement then binding on the Company or any Guarantor or any restriction imposed by any court or governmental body having jurisdiction over the Company or any Guarantor;
  - (11) the receipt by each person to whom or for whose benefit a Security is to be issued (collectively, the "Holders") of a certificate for such Security or the receipt by an applicable depository, acting as agent, on behalf of all Holders of the class or series of Securities of which such Security is one, of a certified receipt or other writing then evidencing such Securities, and the issuance and sale of and payment for the Securities so acquired, in accordance with the applicable purchase, underwriting or similar agreement approved by the Board of Directors of the Company (the "Board") and the board of directors of each applicable Guarantor and the Registration Statement, as amended and in effect (including the Prospectus and the applicable Prospectus Supplement); and
-

(12) for all purposes of our opinions herein expressed at all times material thereto there will be a single institution acting as Trustee for the holders of Debt Securities outstanding under the Senior Debt Securities Indenture, or the Subordinated Debt Securities Indenture, as the case may be.

Based upon the foregoing, and having regard for such legal considerations as we deem relevant, we are of the opinion that:

(i) With respect to authorized but unissued Common Stock, assuming (a) the taking by the Board of all necessary corporate action to authorize and approve the issuance of such Common Stock, the terms of the offering thereof and related matters and (b) the due issuance and delivery of such Common Stock, upon payment (or delivery) of the consideration therefor in accordance with the applicable definitive purchase, underwriting or similar agreement approved by the Board, such Common Stock will be legally issued, fully paid and nonassessable.

(ii) With respect to authorized but unissued Preferred Stock, assuming (a) the taking by the Board of all necessary corporate action to authorize and approve the issuance of a series of the Preferred Stock, the terms of the offering thereof and related matters, (b) the due filing with the Office of the Secretary of State of Delaware of the corresponding Certificate of Designation for the particular series of Preferred Stock to be issued and (c) the due issuance and delivery of such series of the Preferred Stock, upon payment (or delivery) of the consideration therefor in accordance with the applicable definitive purchase, underwriting or similar agreement approved by the Board, such shares of the Preferred Stock will be legally issued, fully paid and nonassessable.

(iii) With respect to any series of Debt Securities to be issued under the Senior Debt Securities Indenture, assuming (a) the Senior Debt Securities Indenture, all then existing and applicable supplements thereto and the supplemental indenture pursuant to which such Debt Securities are issued, if any, executed and delivered at the time of and in connection with the issuance of such Debt Securities, have been duly authorized and validly executed and delivered by the Company and validly executed, delivered and authenticated by the Trustee, (b) the Senior Debt Securities Indenture, as then and theretofore supplemented, has been duly qualified under the Trust Indenture Act of 1939, as amended, (c) the Company has taken all necessary corporate action to approve the Senior Debt Securities Indenture, and the issuance and terms of such series of Debt Securities, the terms of the offering thereof and related matters, and (d) the Debt Securities of such series have been duly executed, authenticated, issued and delivered in accordance with the terms of the Senior Debt Securities Indenture (as then supplemented and applicable) and the applicable definitive purchase, underwriting or similar agreement approved by the Board, upon payment (or delivery) of the consideration therefor provided for therein, such series of Debt Securities will be legally issued and constitute binding obligations of the Company.

(iv) With respect to any series of Debt Securities to be issued under the Subordinated Debt Securities Indenture, assuming (a) the Subordinated Debt Securities

Indenture, all then existing and applicable supplements thereto and the supplemental indenture pursuant to which such Debt Securities are issued, if any, executed and delivered at the time of and in connection with the issuance of such Debt Securities, have been duly authorized and validly executed and delivered by the Company and validly executed, delivered and authenticated by the Trustee, (b) the Subordinated Debt Securities Indenture, as then and theretofore supplemented, has been duly qualified under the Trust Indenture Act of 1939, as amended, (c) the Company has taken all necessary corporate action to approve the Subordinated Debt Securities Indenture, and the issuance and terms of such series of Debt Securities, the terms of the offering thereof and related matters, and (d) the Debt Securities of such series have been duly executed, authenticated, issued and delivered in accordance with the terms of the Subordinated Debt Securities Indenture (as then supplemented and applicable) and the applicable definitive purchase, underwriting or similar agreement approved by the Board, upon payment (or delivery) of the consideration therefor provided for therein, such series of Debt Securities will be legally issued and constitute binding obligations of the Company.

(v) With respect to the Guarantees, assuming (a) the taking of all necessary corporate action by the board of directors of each Guarantor a party thereto to authorize and approve the issuance and terms of the Guarantees, the terms of the offering thereof and related matters and (b) the due execution, issuance and delivery of the Guarantees for fair consideration or reasonably equivalent value therefor as provided for in the applicable definitive purchase, underwriting or similar agreement approved by the board of directors of each Guarantor and otherwise in accordance with the applicable Indenture, such Guarantees will be legally issued and constitute binding obligations of the applicable Guarantor.

(vi) With respect to the Warrants, assuming (a) the taking by the Board of all necessary corporate action to authorize and approve the issuance and terms of the Warrants, the terms of the offering thereof and related matters and (b) the due execution, issuance and delivery of the Warrants, upon payment of fair consideration or reasonably equivalent value therefor as provided for in the applicable definitive purchase, underwriting or similar agreement approved by the Board and otherwise in accordance with the applicable Warrant Agreement, such Warrants will be legally issued and constitute binding obligations of the Company under applicable state law governing the Warrant Agreement.

The foregoing opinions are subject to the following:

(a) The enforceability of any document, instrument or Security may be limited or affected by (i) bankruptcy, insolvency, reorganization, moratorium, liquidation, rearrangement, fraudulent transfer, fraudulent conveyance and other similar laws (including court decisions) now or hereafter in effect and affecting the rights and remedies of creditors generally or providing for the relief of debtors, (ii) the refusal of a particular court to grant equitable remedies, including without limitation specific performance and injunctive relief, (iii) general principles of equity (regardless of whether

---

such remedies are sought in a proceeding in equity or at law) and (iv) with respect to any Debt Securities denominated in a currency other than United States dollars, the requirement that a claim (or a foreign currency judgment in respect of such a claim) with respect to such Securities be converted to United States dollars at a rate of exchange prevailing on a date determined pursuant to applicable law or governmental authority.

(b) In rendering the foregoing opinions, we express no opinion as to the legality, validity, enforceability or binding effect of provisions of each of the referenced agreements relating to indemnities and rights of contribution to the extent prohibited by public policy or that might require indemnification for losses or expenses caused by negligence, gross negligence, willful misconduct, fraud or illegality of an indemnified party.

(c) We express no opinion as to any provision that (i) relates to severability or separability or (ii) purports to require all amendments, supplements or waivers to be in writing.

(d) With respect to Section 7.06(a) of each of the Senior Debt Securities Indenture and the Subordinated Debt Securities Indenture, we express no opinion with respect to the enforceability of such section should limitations on the compensation of trustees be enacted in the future. With respect to Section 12.01 of each of the Senior Debt Securities Indenture and the Subordinated Debt Securities Indenture, we express no opinion as to the enforceability of any of the provisions contained therein to the extent that any such provisions purport to waive liability for violations of securities laws.

This opinion speaks as of its date and we undertake no, and hereby disclaim any, duty to advise as to changes of fact or law coming to our attention after the delivery hereof on such date. For the purposes of the opinions expressed above, we have assumed that, at the time of the execution and delivery of each Indenture, each supplemental indenture, each Certificate of Designation in respect of Preferred Stock, and each Warrant Agreement to be used in connection with an issuance of Warrants, and at the time of the issuance and delivery of each Security, (a) the Company will be validly existing in good standing under the law of the State of Delaware, it will have full power and authority to execute, deliver and perform its obligations under such Indenture, supplemental indenture, Certificate of Designation, Warrant Agreement, or Security, as the case may be, and there shall have occurred no change in applicable law (statutory or decisional), rule or regulation, or in any other relevant fact or circumstance, that (in any such case) would adversely affect our ability to render at such time an opinion containing the same legal conclusions herein set forth and subject only to such (or fewer) assumptions, limitations and qualifications as are contained herein, and (b) in the case of the Securities, at the time of issuance, execution and delivery thereof or of the instrument evidencing the same (i) the Registration Statement, and any amendments thereto (including post-effective amendments), will have become effective and will comply with all applicable laws, (ii) a Prospectus Supplement will have been prepared and filed with the Commission describing the Securities offered thereby, (iii) all Securities will have been issued and sold in compliance with applicable United States federal and state securities laws and in the manner stated in the Registration Statement, as amended and in effect, and the corresponding Prospectus Supplement, and (iv) a definitive

---

purchase, underwriting or similar agreement with respect to any Securities offered will have been duly authorized and validly executed and delivered by the Company and the other parties thereto.

The opinions expressed herein are limited exclusively to the federal laws of the United States of America, the laws of the State of New York and the laws of the State of Texas and applicable provisions of, respectively, the Delaware Constitution, the Delaware General Corporation Law and reported judicial interpretations of such law, and we are expressing no opinion as to the effect of the laws of any other jurisdiction. With respect to Credit, we have relied upon an opinion of McGlinchey Stafford PLLC regarding: (i) that Credit has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Louisiana; (ii) that Credit has full corporate power and authority to enter into the Indenture and Guarantees; and (iii) no consent, approval, authorization or order of any court or governmental agency or body of Louisiana is required to authorize, or is required for the execution and delivery of, the Indenture or Guarantees by Credit.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the statements made with respect thereto under the caption "Legal Matters" in the Prospectus included as part of the Registration Statement. This consent is not to be construed as an admission that we are a party whose consent is required to be filed with the Registration Statement under the provisions of the Securities Act or the rules and regulations of the Securities and Exchange Commission promulgated thereunder.

Very truly yours,

The Registration Statement relates to the offering from time to time as set forth in the Registration Statement, pursuant to Rule 415 under the Act, the form of prospectus contained therein (the "Prospectus") and one or more supplements to the Prospectus (each, a "Prospectus Supplement"), of (i) debt securities in one or more series, which may be senior ("Senior Debt Securities") or subordinated ("Subordinated Debt Securities" and, together with the Senior Debt Securities, the "Debt Securities"), (ii) shares of common stock, par value \$.01 per share ("Common Stock"), (iii) shares of preferred stock, par value \$.01 per share ("Preferred Stock"), (iv) warrants for the purchase of Debt Securities, Common Stock or Preferred Stock ("Warrants"), and (v) guarantees of Debt Securities by the Guarantors ("Guarantees"), having an aggregate initial public offering price not to exceed \$150,000,000, and each on terms to be determined at the time of its offering. The Company, together with CAI, CAIAR, CAI Holding and CCC may sometimes be collectively referred to herein as the "Relevant Parties".

The Debt Securities will be issued in one or more series pursuant to (i) a senior indenture (the "Senior Debt Securities Indenture") or (ii) a subordinated indenture (the "Subordinated Debt Securities Indenture" and, together with the Senior Debt Securities Indenture, the "Indentures"), each Indenture to be entered into by the Company, a financial institution to be named therein, as trustee (the "Trustee"), and, if applicable, one or more Guarantors as guarantors with respect to one or more such series, substantially in the forms attached as Exhibits 4.2 and 4.3, respectively, to the Registration Statement, and each as the same may hereafter be modified or supplemented from time to time, among other things, at the time of and in connection with the issuance of one or more series of the Debt Securities.

Any Guarantee of one or more series of Debt Securities will be issued pursuant to a supplement to the Indenture pursuant to which the corresponding Debt Securities are issued.

Warrants to purchase Common Stock and Preferred Stock are collectively referred to herein as the "Stock Warrants". Warrants to purchase Debt Securities are referred to herein as the "Debt Warrants". The Stock Warrants and the Debt Warrants are collectively referred to herein as the "Securities Warrants". The Debt Warrants will be issued under a debt warrant agreement (the "Debt Warrant Agreement") between the Company and a financial institution to be determined, as debt warrant agent. The Stock Warrant Agreement and the Debt Warrant Agreement are collectively referred to herein as the "Warrant Agreements".

We have examined the forms of Senior Debt Securities Indenture and the Subordinated Debt Securities Indenture, which forms have been filed with the Commission as exhibits to the Registration Statement.

In connection with the foregoing, we also have examined originals or copies of such corporate records, as applicable, of Credit, certificates and other communications of public officials, certificates of officers of Credit and such other records, agreements, instruments and other documents as we have deemed necessary for the purpose of rendering the opinions expressed herein. As to questions of fact material to those opinions, we have, to the extent we deemed appropriate, relied on certificates of officers of Credit and on certificates and other communications of public officials. We have assumed the genuineness of all signatures on, and the authenticity of, all documents submitted to us as originals, the conformity to authentic original documents of all documents submitted to us as copies, the due authorization, execution and delivery by the parties thereto of all documents examined by us, and the legal capacity of each individual who signed any of those documents.

As such counsel, we have reviewed originals, or copies certified or otherwise identified to our satisfaction, of the following documents, each dated as of the date of this opinion letter except as otherwise noted (collectively, the "Documents"):

1. Form of Senior Debt Securities and supplemental Guarantee;
2. Form of Subordinated Debt Securities Indenture and supplemental Guarantee;
3. Written Consent of Directors in Lieu of Meeting of Credit dated February 18, 2009 (the "Director's Consent"); and
4. Officer's Certificate dated March 3, 2009 issued by Credit and the Relevant Parties (the "Officer's Certificate").

In addition, we have examined:

- (i) copies of the articles of incorporation, the amendments thereto and by-laws of Credit certified by it as in effect on the date of this opinion letter; and
  - (ii) a copy of the Certificate of Good Standing for Credit dated February 12, 2009, issued by the Secretary of State of Louisiana (the "Certificate of Good Standing").
-

As to questions of fact material to our opinion, we have relied (without independent investigation or verification) upon the truthfulness of the representations made in the Documents and in the Certificate of Good Standing. In expressing the opinion in paragraph 1, we have relied solely upon a Certificate of Good Standing and the opinion provided in such paragraph is not intended to provide any conclusion or assurance beyond that conveyed by such certificate. In giving such opinion, we have assumed that the facts set forth therein remain correct on the date of this opinion letter.

In our review of the Documents and the other documents referred to above, we have assumed, without independent investigation, (i) the genuineness of all signatures, (ii) the legal capacity of all individuals who have executed any of the documents reviewed by us, (iii) the authenticity of the originals of the documents submitted to us, and (iv) the conformity to the authentic originals of any documents submitted to us as copies.

Based on the foregoing and upon such investigation as we have deemed necessary, and subject to the qualifications and exceptions herein contained, we are of the opinion that:

1. Credit has been duly incorporated and is a validly existing corporation in good standing under the laws of the State of Louisiana.
2. Credit has the corporate power and authority to execute and deliver each Document to which it is a party.
3. No consent, approval, authorization or order of any court or any governmental agency or body of Louisiana is required to authorize, or is required for execution and delivery of, the Indentures and the Guarantees by Credit.

The foregoing opinions are subject to the following:

(a) We express no opinion respecting the enforceability of the Registration Statement, the Prospectus, the Prospectus Supplement, the Securities, the Indentures, the Warrant Agreements, any other documents referred to therein or transactions contemplated thereby.

(b) The enforceability of any document, instrument or Security may be limited or affected by (i) bankruptcy, insolvency, reorganization, moratorium, liquidation, rearrangement, fraudulent transfer, fraudulent conveyance and other similar laws (including court decisions) now or hereafter in effect and affecting the rights and remedies of creditors generally or providing for the relief of debtors, (ii) the refusal of a particular court to grant equitable remedies, including without limitation specific performance and injunctive relief, (iii) general principles of equity (regardless of whether such remedies are sought in a proceeding in equity or at law), and (iv) with respect to any Debt Securities denominated in a currency other than United States dollars, the requirement that a claim (or a foreign currency judgment in respect of such a claim) with respect to such Securities be converted to United States dollars at a rate of exchange prevailing on a date determined pursuant to applicable law or governmental authority.

---

(c) We express no opinion as to whether Credit's execution, delivery, and performance of the Documents (i) will conflict with, constitute an event of default under, or result in a breach or violation of any indenture, mortgage, deed of trust, lease, agreement or other instrument to which Credit or its shareholder is a party or to which any of their property or assets is bound, (ii) will result in the creation of any lien, charge, privilege or encumbrance on any property or assets of Credit, except as contemplated by the Documents, and (iii) will contravene or constitute a breach of or default under any applicable provision of the Applicable Laws or public policies of any jurisdiction other than the State of Louisiana and the laws of the United States or any applicable regulation thereunder or under any agreement, judgment, injunction, order, decree or other instrument binding upon it.

(d) In rendering the foregoing opinions, we express no opinion as to the legality, validity, enforceability or binding effect of provisions of each of the referenced agreements relating to indemnities and rights of contribution to the extent prohibited by public policy or that might require indemnification for losses or expenses caused by negligence, gross negligence, willful misconduct, fraud or illegality of an indemnified party.

(e) We express no opinion as to any provision that (i) relates to severability or separability or (ii) purports to require all amendments, supplements or waivers to be in writing.

This opinion speaks as of its date and we undertake no, and hereby disclaim any, duty to advise as to changes of fact or law coming to our attention after the delivery hereof on such date. For the purposes of the opinions expressed above, we have assumed that, at the time of the execution and delivery of each Indenture, each supplemental indenture, each Certificate of Designation in respect of Preferred Stock, and each Warrant Agreement to be used in connection with an issuance of Warrants, and at the time of the issuance and delivery of each Security, in the case of the Securities, at the time of issuance, execution and delivery thereof or of the instrument evidencing the same (i) the Registration Statement, and any amendments thereto (including post-effective amendments), will have become effective and will comply with all applicable laws, (ii) a Prospectus Supplement will have been prepared and filed with the Commission describing the Securities offered thereby, (iii) all Securities will have been issued and sold in compliance with applicable United States federal and state securities laws and in the manner stated in the Registration Statement, as amended and in effect, and the corresponding Prospectus Supplement, and (iv) a definitive purchase, underwriting or similar agreement with respect to any Securities offered will have been duly authorized and validly executed and delivered by the Company and the other parties thereto.

The opinions expressed herein are limited exclusively all applicable constitutional, legislative, judicial and administrative provisions, statutes, regulations, decisions, rulings, orders, ordinances and other laws of the State of Louisiana and of the United States of America ("Applicable Laws"), and we are expressing no opinion as to the effect of the laws of any other jurisdiction. This opinion letter is rendered solely as to matters of Applicable Laws and we do not purport to express any opinion herein concerning the laws of any jurisdiction other than the State of Louisiana and the United States of America that may be applicable to the Registration Statement, the Prospectus, the Prospectus Supplement, the Securities, the Indentures, the Warrant Agreements, any other documents referred to therein or transactions contemplated thereby. We are not opining as to any securities laws or blue-sky laws. This opinion letter is limited to the matters expressly set forth herein and no opinion is implied or may be inferred beyond the matters expressly set forth herein.

We hereby consent to Fulbright & Jaworski relying on this opinion in issuing its opinion also filed as Exhibit to the Registration Statement and the filing of this opinion as an exhibit to the Registration Statement. This consent is not to be construed as an admission that we are a party whose consent is required to be filed with the Registration Statement under the provisions of the Securities Act or the rules and regulations of the Securities and Exchange Commission promulgated thereunder and we are of the opinion that this is an opinion covered by Rule 436(f) of the Act.

Very truly yours,
