GENERAL INFORMATION REGARDING THE 2013 ANNUAL MEETING OF STOCKHOLDERS

What constitutes a quorum? What is the Record Date? How many shares are outstanding?

The holders of a majority of the outstanding shares of common stock entitled to vote at the 2013 annual meeting of stockholders, represented in person or by proxy, will constitute a quorum at the meeting. However, if a quorum is not present or represented at the meeting, the stockholders entitled to vote at the meeting, present in person or represented by proxy, have the power to adjourn the meeting, without notice, other than by announcement at the meeting, until a quorum is present or represented. At any such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the original meeting.

On April 8, 2013, the Record Date, there were 35,375,861 shares of our common stock issued and outstanding and entitled to vote, meaning that 17,687,932 shares of our common stock must be present in person or by proxy to have a quorum.

What matters will be voted on at the Annual Meeting?

The following matters will be voted on at the Annual Meeting:

1. to elect seven (7) directors nominated by our board of directors;
2. a proposal to ratify the Audit Committee's appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2014;
3. an advisory vote to approve the compensation of our named executive officers; and
4. such other business as may properly come before the meeting.

How does the board of directors recommend that I vote?

The board of directors recommends that you vote:

1. FOR the election of the seven (7) directors nominated by the board of directors and named in this proxy statement;
2. FOR the ratification of the appointment by the Audit Committee of Ernst & Young LLP, as our independent registered public accounting firm for the fiscal year ending January 31, 2014; and
3. FOR the approval, on an advisory basis, of the compensation of our named executive officers.

What vote is required to approve the proposals?

Provided a quorum exists, the following votes are required for each Proposal:

Proposal One – To be elected, each director must receive a *plurality* of the shares voting in person or by proxy. A plurality means receiving the largest number of votes, regardless of whether that is a majority.

Proposal Two – An affirmative vote of a *majority* of shares present, in person or proxy, and entitled to vote at the meeting is required to ratify the Audit Committee's appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2014.

Proposal Three – An affirmative vote of a *majority* of the shares present, in person or proxy, and entitled to vote at the meeting is required to give advisory (non-binding) approval of the compensation of our named executive officers as disclosed in this proxy statement. Because

[Table of Contents](#)

your vote is advisory, it will not be binding on the board of directors or on us; however, the board of directors and we will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record as of the close of business on the Record Date, April 8, 2013, are entitled to notice of and to vote at the meeting or any adjournments of the meeting. Each share of common stock entitles the holder to one vote per share.

What will happen if I do not specify how my shares are to be voted, but do submit a proxy?

Stockholders of Record. If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions, your shares will be voted:

- FOR the election of the seven (7) directors nominated by our board of directors and named in this proxy statement.
- FOR the ratification of the Audit Committee's appointment of Ernst & Young LLP, as our independent registered public accounting firm for the fiscal year ending January 31, 2014.
- FOR advisory approval of the compensation of our named executive officers, as disclosed in this proxy statement.

Beneficial Owners. If you are a beneficial owner and you do not provide voting instructions to the broker or other nominee that holds your shares, the broker or other nominee will determine if it has the discretionary authority to vote on a particular proposal, and may not be able to vote on all Proposals presented for a vote at the annual meeting.

What will happen if I do not vote my shares?

Stockholders of Record. If you are the stockholder of record and you do not vote by proxy card, by telephone, by the internet or in person at the annual meeting, your shares will not be voted at the annual meeting. For each of the Proposals, failure to vote will not affect the outcome of the proposal.

Beneficial Owners. If you are the beneficial owner of shares, your broker or nominee may vote your shares only on those proposals on which it has discretion to vote, including all Proposals presented by this Proxy.

How do I vote and what are the voting deadlines?

Stockholders of Record. If you are a stockholder of record, you may vote by any of the following methods:

- **By Mail.** You may submit your vote by completing, signing and dating your proxy card received and returning it in the prepaid envelope so that it is received no later than June 3, 2013.
- **By Internet or Telephone.** You may vote your shares by internet or telephone, by following the instructions in your Notice. If you vote by Internet or telephone, you should not return your proxy card. These votes must be received by 11:59 P.M., Eastern Time, on June 3, 2013.
- **In person at the Annual Meeting.** You may vote your shares in person at the annual meeting. Proxy cards will be available for you at the meeting, or you may bring the one provided you, and deliver the completed and executed card to the inspector of election at the annual meeting.

[Table of Contents](#)

Beneficial Owners. If you are a beneficial owner of your shares, you should receive a Notice of Internet Availability of Proxy Materials or voting instructions from the broker or nominee holding your shares. You should follow the instructions provided to you by your broker in order to properly advise them of your voting instructions. Shares held beneficially may be voted at the annual meeting only if you obtain a legal proxy from your broker or nominee giving you the right to vote, and presenting that legal proxy together with your vote to the inspector of election at the annual meeting.

Can I revoke or change my vote?

Stockholders of Record. If you are a stockholder of record, you may revoke your vote at any time before the final vote at the annual meeting by:

- signing and returning a new proxy card at a later date;
- submitting a vote by telephone or the Internet at a later date;
- attending the annual meeting and voting in person again; or
- delivering a written revocation to our Corporate Secretary at the address provided to you in this proxy statement or to **Broadridge Financial Services, 51 Mercedes Way, Edgewood, NY 11717, Attn: Vote Processing.**

Beneficial Owners. If you are the beneficial owner of your shares, you must contact your broker or nominee holding your shares, and follow their instructions for revocation or changing your vote.

Your attendance at the annual meeting will not automatically revoke your proxy unless you vote again at the annual meeting.

What is the effect of a broker non-vote?

Brokers or other nominees who hold shares of our common stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting directions from the beneficial owner at least ten days prior to the annual meeting. If the broker or nominee does not receive voting instructions from the beneficial owner in sufficient time to enable its timely voting of the shares, and does not have discretionary voting rights to vote the shares for particular proposals, such is treated as a broker non-vote. This broker non-vote will be counted for purposes of determining whether a quorum exists, but will not be counted for purposes of determining the number of votes present in person or represented by proxy and entitled to vote with respect to a particular proposal. In order to minimize the number of broker non-votes and to ensure that your voice is heard in the election of directors, ***we encourage you to provide voting instructions to the organization that holds your shares*** by carefully following the instructions provided in the Notice.

Who will count the votes?

Broadridge Financial Solutions, Inc. has been engaged as our independent agent to receive and tabulate our stockholder votes, and will act as our independent inspector of election, who will certify the election results and perform any other acts required by the Delaware General Corporation Law.

How will the Stephens Inc. shares owned be voted?

Pursuant to the terms of a “voting trust agreement” entered into by Stephens Inc. and certain affiliates of Stephens Inc. which collectively own approximately 14.83% of our common stock, unless the Voting Trust is revoked or otherwise expires, the trustee of the Voting Trust must vote the shares of common stock held by the voting trust “FOR” or “AGAINST” any proposal or other matter submitted to our stockholders for approval in the same proportion as the votes cast “FOR” and “AGAINST” such proposal or other matter by all other stockholders, not counting abstentions. Therefore, each proxy received voting

[Table of Contents](#)

“FOR” or “AGAINST” any proposal will result in a proportionate number of shares held in the Voting Trust to be voted “FOR” or “AGAINST” a proposal. For proposals requiring a selection of a particular choice, the Voting Trust will be voted in the same proportion as the votes cast for each alternative, not counting abstentions. Abstentions and broker non-votes will not impact how the shares in the voting trust are counted.

How are Stockholder Proposals included in the proposals submitted to Stockholders for voting? How is any Other Business voted on by stockholders?

Stockholders have the right to seek to nominate directors and present proposals for inclusion in our proxy statement for consideration at an annual meeting of stockholders. To be included in our proxy statement and considered at our next annual meeting, you must submit nominations of directors or other proposals, in addition to meeting other legal requirements within appropriate time periods. We must receive your nominations and proposals for our 2014 annual meeting for possible consideration at the meeting no earlier than December 26, 2013 and no later than January 25, 2014, and for possible inclusion in the proxy statement by no later than December 26, 2013. However, if the date of the 2014 annual meeting changes by more than 30 days from the first anniversary date of this year’s meeting, then we will provide notice of the new date of the 2014 annual meeting in our earliest possible quarterly report on Form 10-Q and we must receive your nominations and proposals within a reasonable time before we begin to print and mail our proxy materials if you want them included in the proxy statement.

We do not intend to bring any business before the 2013 annual meeting other than the matters described in this proxy statement and we have not been informed of any matters or proposals that may be presented at the meeting by stockholders. If however, any other business should properly arise and be properly submitted for a vote at the 2013 annual meeting, the persons appointed in the proxy have discretionary authority to vote in accordance with their best judgment.

Who is paying the cost of solicitation of proxies?

We will bear the cost of soliciting proxies. In addition to the solicitation of proxies by mail, solicitation may be made by our directors, officers and employees by other means, including telephone, e-mail or in person. No special compensation will be paid to directors, officers or employees for the solicitation of proxies. To solicit proxies, we may also request the assistance of banks, brokerage houses and other custodians, nominees or fiduciaries, and, upon request, will reimburse such organizations or individuals for their reasonable expenses in forwarding the Notice and other soliciting materials to beneficial owners and in obtaining authorization for the execution of proxies.

Do we provide for Electronic Delivery of Proxy Materials?

Pursuant to rules adopted by the SEC, we provide access to the proxy materials over the Internet. Accordingly, we are sending a **Notice of Internet Availability of Proxy Materials**, the Notice, to our stockholders owning shares of our common stock as of the Record Date. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. The Notice also contains instructions on how to request a paper copy of our proxy materials, including this proxy statement, our Annual Report on Form 10-K for the fiscal year ended January 31, 2013, and a form of proxy card or voting instruction card. In addition, the Notice will provide stockholders with instructions on how to request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis. A stockholder’s election to receive proxy materials by mail or electronically by e-mail will remain in effect until the stockholder terminates such election. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of the annual meeting and lower the costs of printing and distributing our proxy materials. If you choose to receive future proxy materials by e-mail, you will receive an e-mail message each successive year with instructions containing a link to those materials and a link to the proxy voting website.

Our proxy materials are also available on our website at www.conns.com, at www.proxyvote.com, and at the SEC's website at www.sec.gov.

How can I find the result of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final results will be published in a current report on Form 8-K or in our Form 10-Q for the quarter ending April 30, 2013. The Form 8-K or Form 10-Q will be posted on our website at www.conns.com, under "Investor Relations".

PROPOSALS FOR STOCKHOLDER ACTION

**PROPOSAL ONE:
ELECTION OF DIRECTORS**

Number of Directors to be Elected

Our board is currently constituted with ten director positions, seven (7) of which positions are to be elected at the 2013 annual meeting of stockholders. We currently intend to leave three (3) vacant board position in place to allow the board time to determine viable and qualified candidates to fill one or all of those positions. The seven (7) directors elected at the annual meeting will hold office until the 2014 annual meeting of stockholders or until their respective successors have been elected and qualified or their earlier death, resignation or removal. You may not vote for a greater number of directors than those nominated.

Criteria for Nomination to the Board of Directors. Those persons nominated to our board of directors are selected by the Nominating and Corporate Governance Committee in accordance with the Committee's charter, our Certificate of Incorporation and Bylaws, our corporate governance guidelines, and the criteria determined by the board for our director candidates. The Nominating and Corporate Governance Committee of our board of directors in considering the nomination of the directors identified below to serve until the 2014 annual meeting, sought and considered individuals with strong personal reputations and experience in business and other areas that are relevant and important to the financing, strategy and operations of the Company, as well as financial expertise to qualify as a "financial expert" for our Audit Committee. Each nominee for election as a director at this annual meeting of the stockholders of the Company holds or has held senior executive positions in organizations providing such background and expertise objectives, and each has the necessary business and financial experience sought by the Company in those areas, including strategic and financial planning, public company financing and reporting, compliance, risk management and leadership. Each of the nominated directors also has experience of serving on boards or in senior executive management of publicly held companies or governmental services requiring strong business and leadership acumen and implementation.

The Nominating and Corporate Governance Committee also considered and believes that each of the nominated individuals to serve as members of the board of directors has valuable personal and business attributes that have and will continue to be valuable to the Company in their advice and guidance to the executive members of the Company. The Nominating and Corporate Governance Committee takes into account in its considerations, diversity in range of backgrounds, perspectives and experience of the individuals it recommends for nomination to our board of directors. The specific experience of each nominee considered by the Nominating and Corporate Governance Committee is detailed in their respective biographies set forth below.

Board Nominees

Our board of directors met in March 2013 and considered the candidates for nomination for election to the board at the 2013 annual meeting of stockholders. The Nominating and Corporate Governance Committee of the board of directors, consisting of three independent members of the current board of directors, recommended that the full board nominate:

Jon E.M. Jacoby
Kelly M. Malson
Bob L. Martin
Douglas H. Martin
David Schofman
Scott L. Thompson
Theodore M. Wright

Table of Contents

for election or re-election to the board of directors at the 2013 annual meeting. Other than Ms. Malson, each of the nominated directors was elected at our 2012 annual meeting and served on the board of directors during fiscal year ended January 31, 2013 and during the current fiscal year through the date of the 2013 annual meeting. Ms. Malson was nominated by our Nominating and Corporate Governance Committee and was appointed as a director by our board of directors at its meeting in August 2012. In making these recommendations, the Nominating and Corporate Governance Committee considered the experience, qualifications, attributes and skills of each of the nominees as described above and the requirements and qualifications discussed under “Board of Directors - Nomination Policies and Procedures” on page 12 of this Proxy Statement. Based on this recommendation, our board of directors has nominated the following individuals to be elected by the stockholders at the 2013 annual meeting:

| <u>Name</u> | <u>Position</u> | <u>Age</u> | <u>Director Since</u> | <u>Committee Membership</u> |
|--------------------|--|------------|-----------------------|--|
| Jon E.M. Jacoby | Independent Director | 75 | September 2003 | Compensation Committee - Chair; Nominating and Corporate Governance Committee - Chair |
| Kelly M. Malson | Independent Director | 42 | August 2012 | Audit Committee - Chair (Financial Expert) |
| Bob L. Martin | Lead Independent Director | 64 | September 2003 | Nominating and Corporate Governance Committee; Compensation Committee |
| Douglas H. Martin | Director | 59 | February 2003 | |

| Scott L. Thompson | Independent Director | 54 | June 2004 | Audit Committee (Financial Expert); Compensation Committee |
| Theodore M. Wright | Chairman of the Board, Chief Executive Officer and President | 50 | September 2003 | |

Those identified as “independent director” have been determined by our board to be independent. All nominees have consented to serve as directors. The board has no reason to believe that any of the nominees will be unable or unwilling to act as a director. In the event any of these nominated directors is unable to stand for election, the board of directors may either reduce the size of the board or designate a substitute.

For biographical information and the experience, qualifications, attributes and skills of each that caused the Nominating and Corporate Governance Committee and our board of directors to determine that the nominees should serve as one of our directors regarding each of the board’s nominees for director, please refer to “Board of Director Nominees for 2013 and 2014” on page 10 of this Proxy Statement.

We Recommend That You Vote For Each Of The Board Nominees.

**PROPOSAL TWO:
RATIFICATION OF THE SELECTION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

Ernst & Young LLP served as our independent registered public accounting firm for the fiscal year ended January 31, 2013. The Audit Committee of the board of directors has selected Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2014. Our board of directors has further directed that we submit the selection of our independent registered public accounting firm for ratification by the stockholders at the 2013 annual meeting. Stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by our Bylaws or otherwise. However, the board is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. The Audit Committee believes it to be in the best interests of our stockholders to retain Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2014. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent public accounting firm at any time during the year if they determine that such a change would be in our best interests and those of our stockholders. The Audit Committee annually reviews the performance of our independent public accountants and the fees charged for their services. The Audit Committee anticipates, from time to time, obtaining competitive proposals from other independent public accounting firms for our annual audit. Based upon the Audit Committee's analysis of this information, we will determine which independent public accounting firm to engage to perform our annual audit each year. Representatives of Ernst & Young LLP will attend the 2013 annual meeting of stockholders and will be available to respond to appropriate questions that may be asked by stockholders. These representatives will also have an opportunity to make a statement at the meeting if they desire to do so.

**We Recommend That You Vote For The Ratification Of Ernst & Young LLP As Our Independent
Registered Public Accounting Firm.**

**PROPOSAL THREE:
ADVISORY VOTE FOR APPROVAL OF THE COMPENSATION
OF OUR NAMED EXECUTIVE OFFICERS**

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables our stockholders to vote to approve or disapprove, in a non-binding advisory vote, the compensation of our named executive officers. At our annual meeting of stockholders held on May 24, 2011, our stockholders recommended in an advisory vote that we hold the advisory vote for approval of the compensation of our named executive officers annually. Our board of directors has agreed with this advisory vote, and have determined to hold this vote annually.

As described in our “Compensation Discussion and Analysis”, beginning on page 16, our compensation program for executives is designed to (i) reward performance that increases our stockholder value, including individual measured goals and objectives, (ii) attract, retain and motivate executives by offering competitive compensation, and (iii) build and encourage ownership of shares of our common stock. Toward these goals, our compensation program has been designed and implemented to reward our executives for strong financial and operating performance of our Company, and leadership attributes and examples, and to coordinate these criteria with those of our stockholders. These goals are intended to reward our executive officers and encourage their long term commitment to the company. We believe that our compensation programs, consisting of base salary, annual bonus programs tied to the objective success of our Company’s financial performance, and an equity incentive compensation program through granting of stock options, restricted stock and restricted stock units and other equity opportunities, tied to the executive officers performance, retention and motivation, fulfill our objectives. Please read the “Compensation Discussion and Analysis”, beginning on page 16 for a complete discussion of these objectives, the determination of and the elements of compensation and awards for our executive officers, as well as these elements paid and awarded during our fiscal year 2013.

The Compensation Committee of our board of directors in applying these objectives, relied upon:

- input and recommendations received from our Chairman and Chief Executive Officer regarding the performance of each executive officer other than the Chairman and the Chief Executive Officer, each of whose performance is analyzed by the Compensation Committee, the provided documented support for the attainment by individual executive officers of their respective goals and objectives, and areas of responsibilities and expectations for future performance and goal attainment;
- publicly available information with respect to the executive compensation practices of certain public companies in our industry and peer groups;
- the analysis and recommendations regarding our compensation programs for our executive officers of Frederick W. Cook & Co., a compensation consultant that served as an independent advisor; and
- the individual members’ of the Compensation Committee knowledge of industry compensation practices and programs.

The vote on this Proposal is advisory, and not binding on us, the Compensation Committee or our board of directors. To the extent there is any significant vote against the named executive officers’ compensation, the Compensation Committee will consider our stockholders’ advisory vote, and evaluate whether, and if so to the extent any actions are necessary to address our named executive officers’ compensation program.

**We Recommend That You Vote For The Compensation
Of Our Named Executive Officers.**

Nomination Policies and Procedures

The Nominating and Corporate Governance Committee consists of two of our current independent directors: Jon E.M. Jacoby and Bob L. Martin.

The goal of our board has been and continues to be, to identify nominees for service on the board of directors who will bring a diversity and variety of perspectives and skills from their professional and business experience, including financial and accounting experience as appropriate. In carrying out its function to nominate candidates for election to our board, the Nominating and Corporate Governance Committee considers the mix of skills, experience, character, commitment, and diversity – diversity being broadly construed to mean a variety of opinions, perspectives, experiences and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics, all in the context of the requirements of our board at that point in time. The Nominating and Corporate Governance Committee will assess the effectiveness of this policy annually in connection with the nomination of directors for election at the annual meeting of stockholders. In furtherance of our board's goal of identifying and selecting nominees, our board has adopted nominating policies and procedures which are available on our website at www.conns.com under "Investor Relations – Corporate Governance".

The Nominating and Corporate Governance Committee assists the board in fulfilling its responsibilities by (1) identifying individuals believed to be qualified to become members of the board, consistent with criteria approved by the board, (2) recommending candidates to the board for election or reelection as directors, including director candidates submitted by our stockholders, and (3) overseeing, reviewing and making periodic recommendations to the board concerning our corporate governance policies.

The Nominating and Corporate Governance Committee will consider candidates for nomination proposed by stockholders so long as they are made in accordance with the provisions of Section 2.14 of our Bylaws. Section 2.14 of our Bylaws requires that the stockholder provide written notice to our corporate secretary no later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the anniversary date of the mailing of the proxy statement for the immediately preceding annual meeting of the stockholders. The notice to our secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election or re-election as a director, information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected); (b) as to any other business that the stockholder proposes to bring before the meeting, a brief description of such business, the reasons for conducting such business at the meeting and any material interest in the business by the stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (c) as to the stockholder

giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address, as they appear on the company's books, of such stockholder and beneficial owner; and (ii) the class and number of shares of the company that are owned beneficially and held of record by such stockholder and such beneficial owner. Notwithstanding this procedure, the board may, in its discretion, exclude from any proxy materials sent to stockholders any matters that may properly be excluded under the Exchange Act, Securities and Exchange Commission rules or other applicable laws.

The Charter of the Nominating and Corporate Governance Committee sets forth the minimum requirements for a person to be qualified to be a member of the board of directors, which are that a person must (i) be an individual of the highest character and integrity and have an inquiring mind, vision, a willingness to ask hard questions and the ability to work well with others; (ii) be free of any conflict of interest that would violate any applicable law or regulation or interfere with the proper and reasonable performance of the responsibilities of a director; (iii) be willing and able to devote sufficient time to the affairs of the company and be diligent in fulfilling the responsibilities of a director and board committee member (including developing and maintaining sufficient knowledge of the company and its industry; reviewing and analyzing reports and other information important to the board and committee responsibilities; preparing for, attending and participating in board and committee meetings; and satisfying appropriate orientation and continuing education guidelines); and (iv) have the capacity and desire to represent the balanced, best interest of the stockholders as a whole and not primarily a special interest group or constituency. The Nominating and Corporate Governance Committee evaluates whether certain individuals possess the foregoing qualities and recommends to the board for nomination candidates for election or re-election as directors at the annual meeting of stockholders, or if applicable, at a special meeting of stockholders. This process is the same regardless of whether the nominee is recommended by our board or one of our stockholders.

Independent Board Composition

NASDAQ requires that a majority of the board of directors of a listed company be "independent." NASDAQ's rules provide that an independent director is a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship that, in the opinion of the company's board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The board has determined that each of Marvin D. Brailsford, Jon E.M. Jacoby, Kelly M. Malson, Bob L. Martin, David Schofman, and Scott L. Thompson is "independent" as defined under SEC and NASDAQ rules. Mr. Bob L. Martin was appointed our Lead Independent Director in August 2012. Prior to his becoming our Interim Chief Executive Officer and President on February 27, 2011, Theodore M. Wright had also been determined by our board as "independent" as defined under SEC and NASDAQ rules.

The independent directors of the board held executive sessions at each regular meeting of the board of directors during fiscal 2013.

At the meeting of the Nominating and Corporate Governance Committee held in March 2013, the Committee discussed the relationships of Jon E.M. Jacoby and Bob L. Martin with The Stephens Group, LLC, which together with its participants and family members owns approximately 17.56% of our common stock, and whether those relationships impacted their ability to exercise independent judgment in carrying out their responsibilities as a directors.

The Committee discussed the fact that Mr. Jacoby's independence has been approved by the Committee and/or the Company's board of directors every year since the Company's fiscal year 2008, the year in which The Stephens Group, LLC and Stephens Inc. became independent of each other. The Committee considered Mr. Jacoby's relationship with The Stephens Group, LLC, and that Mr. Jacoby, although previously employed by Stephens Inc., which has provided investment banking and brokerage services to the Company, was not involved in any investment activities of Stephens Inc. The Committee considered Mr. Jacoby's positions with these significant stockholders, the fact that Mr. Jacoby is not involved with the investment services of Stephens Inc., and his lack of control of voting of common stock owned by The Stephens Group, LLC, or SG-1890 LLC, an affiliate of The Stephens Group, LLC., and his

continuous exercising of independent judgment as one of our directors over the years, and determined that and recommended to the board of directors that it approve Mr. Jacoby's independence as defined under the SEC and the NASDAQ rules.

The Committee discussed the current position of Bob Martin with The Stephens Group, LLC, and the fact that the position is not substantively different from the consulting work that Mr. Martin has done in previous years for The Stephens Group, LLC, the continuous exercise of independent judgment by Mr. Bob Martin since his election to our board in 2003, and his lack of control of voting of common stock owned by The Stephens Group, LLC or any of its affiliates, including SG-1890 LLC, the Committee has determined that and recommended to the board of directors that it approve Mr. Bob Martin's independence as defined under the SEC and the NASDAQ rules.

Our board of directors at its meeting in March 2013 approved the independence of Messrs. Jacoby and Bob Martin.

During fiscal 2013, the board held four regularly scheduled meetings, and twice acted by unanimous written consent in lieu of meeting. The Audit Committee held four regularly scheduled meetings and took action by unanimous written consent one time in fiscal 2013. Each meeting of the Audit Committee was attended by all members of the Audit Committee, except for Mr. Thompson who was unavailable at the March meeting due to travel. The Compensation Committee also evaluates the competitiveness of our compensation and the performance of our Chairman and Chief Executive Officer and other executive officers. Trawick, served on the Compensation Committee through May 2012, the effective date of his retirement from our board. Scott L. Thompson was appointed to serve on the Compensation Committee in November 2012, and served the balance of our fiscal year 2013.

The Compensation Committee held four regular meetings, and twice acted by unanimous written consent in lieu of meeting in fiscal 2013. Each meeting was attended by all members of the committee at the time of the meeting. All members of the Compensation Committee were determined by the board of directors to be independent directors as defined by NASDAQ listing standards. Additional information on the Compensation Committee’s processes and procedures for consideration of executive compensation are addressed in the Compensation Discussion and Analysis section of this proxy statement below.

Nominating and Corporate Governance Committee

Members of the Committee are independent directors who are not employees of the Company or any of its subsidiaries. The members of the Committee are Messrs. Jacoby and Bob L. Martin. All members of the Nominating and Corporate Governance Committee were determined to be “independent” as defined by the SEC and NASDAQ listing standards.

Compensation Philosophy and Objectives

We have developed a compensation program for our named executive officers designed to: (i) reward individual and Company performance; (ii) attract, retain and motivate with competitive compensation opportunities; and (iii) build and encourage ownership of our shares of common stock. Toward these goals, our compensation program has been designed and implemented to reward our named executive officers in part based on our financial and operating performance and their individual performance, and to align their interests with those of our stockholders. These goals are intended to reward our named executive officers and to encourage their long term commitment to the Company. We believe that our compensation programs, consisting of base salary, annual bonus programs tied to the objective Company performance measures, and an equity awards in the form of stock options and other equity incentive awards tied to the named executive officers performance and retention desires, fulfill our objectives.

Compensation Philosophy

The following is the executive compensation philosophy of our Company adopted by our Compensation Committee effective August 30, 2011:

[Table of Contents](#)

Compensation realized by executives should reflect the individual skills and contributions of the executive, as well as the Company's overall performance against its business plan and changes in stockholder value.

The basic objectives of the Company's executive compensation program include:

- Attracting, motivating and retaining skilled executives necessary to execute its business strategy;
- Motivate executives by linking compensation opportunity to the achievement of the Company's short-term and long-term growth and profitability goals as well as execution of its business strategy;
- Align interests of management and stockholders by tying realized compensation directly to increases in stockholder value and requiring ownership of Company stock over a sustained period; and
- Promote a pay-for-performance culture on a risk-appropriate basis with a majority of the named executive officer's compensation to be earned, or increase in value, based on Company and stock performance.

In addition, the efficiency of the overall program from a tax, accounting, cash flow and stockholder dilution perspective should be balanced against the above objectives. In support of the stated objectives, the Company delivers an executive compensation program that includes the following fundamental elements:

1. Base salary
2. Short-term cash incentives
3. Long-term equity incentives in the form of options, restricted stock units and performance shares

Additional benefits and perquisites may be included when appropriate.

A named executive officer's total direct compensation opportunity (i.e., base salary, target short-term cash incentives and long-term equity incentives) should be competitive with market practice. "Market practice" generally means the median (i.e., 50th percentile) of the total direct compensation opportunity of peer executives at companies in our peer group (defined below). However, the Compensation Committee may in its discretion provide a named executive officer with a total direct compensation opportunity above or below market practice based on the following factors:

- The named executive officer's individual skills and experience
- The difficulty of replacing the named executive officer and importance of the position to the Company
- The risk profile of the named executive officer's compensation relative to market practice

Actual compensation earned by a named executive officer may be above or below market level depending on the named executive officer's individual performance and the Company's absolute or relative performance.

Compensation Objectives

Reward Performance: A significant portion of the total direct compensation of each of our named executive officers is performance-based. One way in which we reward performance is through grants of equity, the value of which is tied to increases in our stock price. While we recognize that stock price performance is one measure of performance, given business conditions in the industry and the financial markets, and our long-term strategic direction and goals, we believe that it may not always be the best performance measure. As a result, a portion of our named executive officers' total direct compensation is

based on the Company's performance, as measured by our operating profit in the case of target annual bonuses and by our return on invested capital in the case of performance shares. We may also award discretionary bonuses based on our subjective review of the individual performance of each of the named executive officers.

Attract, Retain and Motivate: We structure the compensation of our named executive officers with the goal of attracting and retaining the benefits of excellent executives in our significant areas of operations – sales, merchandising, financial and liquidity, consumer credit, distribution, product service and training. We promote these objectives by ensuring that our compensation is competitive within our industry and by providing that equity awards vest over at least a four-year period (subject to our Compensation Committee's discretion in determining a different vesting schedule as it deems necessary and appropriate under the circumstances). We believe that equity compensation more closely aligns our executive officers' goals with those of our stockholders, and that time-based vesting conditions promote our retention objectives.

Encourage Ownership of our Shares of Common Stock: Another of our compensation objectives is our desire for our named executive officers to obtain and benefit from ownership of our common stock, which we believe more closely aligns the interests of our named executive officers with those of our stockholders. Our Compensation Committee adopted stock ownership guidelines for our non-employee directors and our named executive officers in August 2011, as discussed below. Our Compensation Committee, through the issuance of stock options under our existing Employee Incentive Stock Option Plan and other equity opportunities, including restricted stock units and restricted stock under the 2011 Employee Omnibus Incentive Plan, believes these goals are being accomplished. The Compensation Committee believes that these ownership requirements promote our philosophy of equity ownership for the Board and named executive officers, which we believe reinforces the alignment of their interests with our stockholders' interests.

Determining Compensation

The Compensation Committee reviews the compensation of the named executive officers on an annual basis, including base salary, target short-term cash incentives and long-term equity incentives. Our compensation program consists of three basic elements: (i) base salary; (ii) annual bonus (both predetermined based on our Company and individual performance, and with discretionary aspects to reward those with outstanding performances); and (iii) equity awards. These components work together in determining the overall compensation of our named executive officers.

The Chief Executive Officer and the Compensation Committee are responsible for administering the executive compensation program for each of the named executive officers other than the Chief Executive Officer, except with regard to certain actions and responsibilities that are specifically reserved to the Compensation Committee or Board of Directors. These responsibilities are identified in the Compensation Committee Charter posted on our website ir.conns.com.

Our Compensation Committee seeks to structure compensation of our named executive officers in such a manner as to avoid encouraging excessive risk taking. To discourage excessive risk taking the Compensation Committee (i) caps the annual incentive bonuses at 200% of target, (ii) requires equity ownership by the named executive officers, and (iii) imposes varying time horizons for short- and long-term incentive compensation, intending to balance the executive's attention to our short- and long-term performance goals and business objectives. The Compensation Committee also periodically reviews and adjusts the cash and equity award amounts to balance our short-term and long-term performance goals and objectives. In so doing, we are better able to address market and Company risks as they arise and adjust our direction and actions to compensate for such risks while maintaining our stability over the long-term. We believe that these actions better balance and align our performance objectives and our stockholder interests with a view to long-term value creation.

In applying the above-described objectives for our executive compensation program, the Compensation Committee, in making its final determination, primarily relies upon:

Table of Contents

- input and recommendations received from the Chairman and the Chief Executive Officer, and other supervisors of each executive officer except the Chief Executive Officer, regarding the day-to-day performance of each individual and each executive officer's areas of responsibilities and expectations for future performance;
- publicly available information with respect to the executive compensation practices of our peer group companies;
- the analysis and recommendations of its Compensation Consultant regarding our compensation programs for our executive officers; and
- its own judgment and knowledge of the industry.

Input Received from our Chairman and Chief Executive Officer. The Compensation Committee has historically relied in part on the input and recommendations of our Chairman and Chief Executive Officer in making its determination regarding base salaries of the executive officers, individual levels for bonus compensation, and whether to grant long-term equity awards to our executive officers and if so, in what forms and amounts. The Compensation Committee believes that the executive Chairman and the Chief Executive Officer, by virtue of their role in overseeing the day-to-day performance of such individuals and their positions with us and their experience in the industry, are appropriately suited to make informed recommendations to the Compensation Committee with respect to the foregoing elements of our executive compensation program. The Compensation Committee alone, with input and guidance from its Compensation Consultant, determines the compensation for our Chief Executive Officer.

Peer Group Data. While the Compensation Committee does not rely solely on any comparative analyses of the amounts and forms of compensation which are paid to executive officers with comparable titles at other public companies in the home appliance and consumer electronics industry, it does review annually and take into consideration such other public information of public companies of comparable size and nature to ours of a retail business as well as those which provide in-house financing of their merchandise sales, as well as similarly situated public companies outside the retail business industry. We refer to such companies collectively as our "peer group." For the fiscal year 2013, the companies which comprised the peer group for this review were hhgregg, Inc., Cost Plus, Duckwall-ALCO, Ethan Allen Interiors, Gordmans Stores, Haverty Furniture, Kirkland's, La-Z-Boy, Overstock.com, Mattress Firm Holding, Pier 1 Imports, Tuesday Morning, Select Comfort, Consumer Portfolio Services, CompuCredit Holdings and World Acceptance. The amount and structure of peer company compensation is a factor in the Compensation Committee's determination of the compensation of executive officers, but the Compensation Committee does not target compensation of its executive officers based upon the levels of compensation of executives of the companies in our peer group due to the nature and responsibility level of each of our executive officers, since our business model and resulting levels of responsibility are not directly comparable with those of peer executives within our peer group. However, based on the results of the review of peer companies, the Compensation Committee may determine to modify compensation of our named executive officers. The Compensation Committee also relies on its subjective knowledge of the industry and our peers in determining our named executive officers' base salary, bonus and equity awards, as it deems appropriate and necessary to reward overall performance and achievements and to promote retention and stability within our executive team.

Compensation Consultant. Our Compensation Committee retained a compensation consultant, Frederic W. Cook & Co., Inc. (the "Compensation Consultant"), to review our named executive officers' compensation and to make recommendations to the Compensation Committee regarding the compensation packages for our named executive officers for the fiscal year 2013. The Compensation Committee has utilized the recommendations of the Compensation Consultant as well as input from our Chief Executive Officer and President in setting the compensation packages for our named executive officers for our fiscal years 2013 and 2014. The Compensation Committee assessed the independence of the Compensation Consultant pursuant to SEC rules and concluded that no conflict of interest exists that would prevent it from serving as an independent consultant to the Compensation Committee.

Other Factors. Key factors which also affect our executive compensation program include our financial performance, to the extent that the Compensation Committee believes it may be fairly attributed or related to the performance of a particular named executive officer, as well as the contribution of each named executive officer relative to his individual responsibilities and capabilities. While the Compensation Committee does consider our stock price performance, it has not utilized it as a measure of our financial performance or the performance of our named executive officers, given the fact that it may not take into account a variety of factors including, but not limited to, the business conditions within the industry as well as our long-term strategic direction and goals.

Elements of Compensation

The compensation of our named executive officers consists of three basic elements: (i) base salary; (ii) bonus (both pre-determined based on our performance and individual performance, and discretionary); and (iii) equity awards. These components work together in determining the overall compensation of our named executive officers.

Base Salary: Each named executive officer receives a base salary determined by the Compensation Committee to be commensurate with the officer's area of responsibility and that officer's areas and extent of responsibility in relation to our performance as a whole. The determination of this component is generally made at the first Compensation Committee meeting during each fiscal year, and is set for the ensuing fiscal year, or at other meetings as deemed necessary by the Compensation Committee. Such base salaries are intended to provide the executive officers with a competitive and equitable living salary. For our fiscal 2013, this determination was made by our Compensation Committee at its meetings held in May 2012, and for our fiscal 2014, made by our Compensation Committee at its meetings held in March 2013.

Bonus: The Compensation Committee establishes our bonus program for all named executive officers, after receiving recommendations from the Chairman and the Chief Executive Officer, and when the offices were occupied, the Executive Vice Chairman and the Chief Operating Officer, for each individual named executive officer. The bonus program is based on both pre-determined levels of Company performance and bonus levels set for each named executive officer based on individual performance, and may include elements of discretionary bonus based upon an individual's performance.

Executive officers receive bonus payments based on our achievement of pre-determined performance goals approved by the Compensation Committee each fiscal year. For the fiscal year ended January 31, 2013, the performance goals and the bonus amount associated with each of those goals were as follows:

| <u>Name</u> | <u>Fiscal Year 2013 Operating Profit Goals</u> | | |
|-------------------------|--|---|--|
| | <u>\$ 60,500,000</u> <u>Threshold (1)</u> | <u>\$ 73,250,000</u> <u>Target (1)</u> | <u>\$ 91,100,000</u> <u>Maximum (1)</u> |

- (3) A portion of Mr. Broussard's bonus is based on achievement of certain personal performance goals and a portion is based on the Company's operating profit goals. His total bonus potential is shown in the table above.

Individual named executive officers may also receive bonus payments based on individual performance. These bonus levels are recommended by the Chairman, when this office is occupied by an executive Chairman, and the Chief Executive Officer, and determined by the Compensation Committee, based on that named executive officer's level of responsibility and ability to affect the performance of his area of responsibility and the Company's performance. None of these bonus levels are based upon any percentage of the individuals' base salary or goals, but each does have defined objective calculations based upon the areas of that individual's responsibilities. At the end of each fiscal year, the Compensation Committee may additionally establish individual performance bonus awards for each named executive officer upon recommendation of an executive Chairman, when the office is occupied, and the Chief Executive Officer, or as separately determined by the Compensation Committee.

The bonus paid to Mr. Wright is pursuant to his Incentive Compensation Award Agreement, as approved by our stockholders at its May 30, 2012 annual meeting.

Equity Awards

The fiscal year 2013 annual equity awards to certain of our named executive officers were granted pursuant to a policy adopted by the Compensation Committee in May 2012. That policy provides that:

- The target value of an annual equity award to a named executive officers will equal to 100% of his base salary;
- 50% of the target value of the annual equity award will be in the form of time-vested restricted stock units that vest in equal annual installments over four years, subject to the named executive officer's continuing service; and
- 50% of the target value of the annual award will be in the form of performance shares (explained below). The named executive officer would earn:
 - (i) 50% of the performance shares if we average 12% Return on Invested Capital ("ROIC") over the performance period (the "threshold" level);
 - (ii) 100% of the performance shares if we average 14% ROIC over the performance period (the "target" level); and 150% of the performance shares if we average 17% ROIC (the "maximum" level). In the event the threshold is not attained over that period, no performance shares will be earned. The named executive officer will vest in any earned performance shares as follows: 50% at May 30, 2014, 25% at May 30, 2015 and 25% at May 30, 2016, subject to the named executive officer's continuing employment.

The Compensation Committee believes that our ROIC is closely linked to our stock price and stockholder returns, and that selecting ROIC as a performance measure for this purpose better balances the incentives to grow our sales and earnings and returns on capital. Mr. Taylor did not receive a fiscal 2013 annual equity award in light of his having received a new hire equity award of 30,000 restricted

[Table of Contents](#)

stock units, which vest in four equal annual installments beginning on the one-year anniversary of his hire date. Mr. de la Fuente did not receive any equity awards during the fiscal year 2013.

The Compensation Committee may in its discretion grant other equity awards to the named executive officers, which may include time-vested stock options, restricted stock, restricted stock units, and performance shares pursuant to our 2011 Omnibus Incentive Plan. In making any such awards, the Compensation Committee will consider:

- the number of equity awards previously granted to the named executive officer; and
- the named executive officer's past and expected future contributions to the Company.

In August 2012, the Compensation Committee approved a special equity award to Mr. Wright in recognition of (i) his personal performance as our Chief Executive Officer, and (ii) incentive and retention considerations. This special equity award consisted of:

- 25,000 time-vested restricted stock units, which vest 50% on the third anniversary of the grant date and 50% on the fourth anniversary of the grant date, subject to Mr. Wright's continuing employment with us; and
- An option for 87,500 shares of our common stock, which vests 50% on the third anniversary of the grant date and 50% on the fourth anniversary of the grant date, subject to Mr. Wright's continuing employment with us.

Compensation under our equity incentive program is intended to align the long-term interests of our named executive officers with those of our stockholders and to provide long-term performance incentives to our named executive officers to complement the other forms of compensation they receive.

In making long-term incentive compensation decisions, no formal weighting formula is used in deciding award amounts under our stock option program. Our Compensation Committee instead considers each executive's ability and individual responsibility to directly impact our Company's overall performance in the long-term, and makes equity awards based on considerations for each individual executive.

We use equity awards to counterbalance the short-term base salary and bonus compensation components issued to our named executive officers. We do not target any set mix of compensation components. Our Compensation Committee reviews the goals of our Company and the status of the markets in which we compete to determine which mix of short-term and long-term performance compensation should be structured in order to properly incentivize our executives to best implement both the short-term and long-term elements of our Company strategies.

Annual Advisory Vote on Executive Compensation

At our 2012 annual meeting, more than 89.88% of the votes cast voted to approve the advisory resolution on our executive compensation. The Compensation Committee believes that the positive outcome of this vote supports the compensation arrangements established by it for our named executive officers for our fiscal year 2013. In addition, at our 2011 annual meeting, our stockholders approved a recommendation of an annual advisory vote by the stockholders on our executive officers' compensation. The board of directors has adopted that recommendation and has held and intends to hold an annual advisory vote on our executive officers' compensation.

Stock Ownership Guidelines for our Named Executive Officers

Our Compensation Committee has established stock ownership guidelines for our named executive officers. The guideline for the chief executive officer is two times base salary. The guideline for the other three named executive officers is one and one-half times base salary. Our named executive officers have five years from August 30, 2011 to reach these targets. If these targets are not attained timely, then the applicable executive officer will be required to retain 50% of the net after-tax shares realized from the Company's equity incentive programs until the guideline is met. Shares that count toward the guideline include directly owned shares, beneficially owned shares held indirectly and shares held in any retirement or deferral account. Unexercised stock options, unearned/unvested performance shares and unvested restricted stock shares do not count in the guideline calculations.

The following schedule reflects the stock ownership of the named executive officers as of January 31, 2013:

| <u>Name</u> | <u>Shares of Common Stock Owned ⁽¹⁾</u> | <u>Market Value as of January 31, 2013</u> |
|---------------------|--|--|
| Theodore M. Wright | 150,000 | \$ 4,266,000 |
| Michael J. Poppe | 24,324 | 691,775 |
| Brian E. Taylor | — | — |
| David W. Trahan | 99,759 | 2,837,146 |
| Clinton W. Harwood | 56,050 | 1,594,062 |
| Walter M. Broussard | 52,900 | 1,504,476 |

- (1) Only includes shares of common stock actually owned and does not include currently exercisable stock options or non-vested restricted stock units.

Other Compensation

We provide our named executive officers with other benefits, as reflected in the All Other Compensation column in the Summary Compensation Table on page 26, which the Compensation Committee believes is reasonable, competitive and consistent with our executive compensation program.

Employment and Related Agreements

Certain of the named executive officers have entered into Executive Severance Agreements with the Company, the material terms of which are explained in more detail under "Termination of Employment and Change of Control Arrangements" on page 30.

Compensation for the Named Executive Officers in Fiscal 2013

Chief Executive Officer Compensation

The Compensation Committee determined the fiscal 2013 compensation package of Theodore M. Wright, our Chief Executive Officer, in accordance with the above-described policies and procedures. The Compensation Committee believes that the benefits provided under these agreements promote our

Mr. Wright received a base salary of \$700,000 for fiscal 2013.

Mr. Wright was eligible to receive an annual cash performance bonus, the amount of such bonus determined by the Compensation Committee in accordance with a pre-established performance goal and in accordance with his Incentive Compensation Award Agreement. The incentive compensation award

for Mr. Wright for any year may not exceed \$1,920,000. The performance goals established for fiscal year 2013, and the bonus amount associated with each level were as follows:

| Name | Fiscal Year 2013 Operating Profit Goals | | |
|--------------------|---|------------------------------------|-------------------------------------|
| | <u>\$ 60,500,000</u> Threshold (1) | <u>\$ 73,250,000</u> Target (1) | <u>\$ 91,100,000</u> Maximum (1) |
| Theodore M. Wright | 85,000 | 425,000 | 637,500 |

(1) Bonuses are calculated on a pro-rata basis when operating profits fall between the levels shown above.

Mr. Wright received a cash bonus of \$637,500 paid in two installments on December 31, 2012 and March 30, 2013, based upon our achievement of fiscal year 2013 operating profit of \$100.5 million.

In May 2012, the Compensation Committee made an annual equity award to Mr. Wright in the target amount of \$700,000 (i.e., 100% of Mr. Wright's base salary). This target amount was converted into a mix of 20,444 of time-vested restricted stock units and 20,444 performance shares.

In August 2012, the Compensation Committee approved a special equity award to Mr. Wright in recognition of (i) his personal performance as our Chief Executive Officer, and (ii) incentive and retention considerations. This special equity award consisted of:

- 25,000 time-vested restricted stock units, which vest 50% on the third anniversary of the grant date and 50% on the fourth anniversary of the grant date, subject to Mr. Wright's continuing employment with us; and
- An option for 87,500 shares of our common stock, which vests 50% on the third anniversary of the grant date and 50% on the fourth anniversary of the grant date, subject to Mr. Wright's continuing employment with us.

The Compensation Committee evaluated and took into account each of the above listed criteria in determining the base and performance award goals for fiscal 2013. The components of our Chief Executive Officer's compensation package are reflected in the Summary Compensation Table and the footnotes following.

Other Named Executive Officers' Compensation

Each of the named executive officer's compensation, including our Chief Executive Officer, was determined in accordance with our policies and procedures for all executive officers, including bonus, equity and other benefits. In March 2013, the Compensation Committee increased Mr. Poppe's and Mr. Trahan's annual base salaries to \$425,000 and \$345,000, respectively, in recognition of their past and expected future contributions to the company, and to increase the competitiveness of their compensation. Each of the components is addressed in the Summary Compensation Table and the footnotes following for each named executive officer.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis and discussed it with the Company's management. Based on its review and discussions with management, the Committee recommended to the board of directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for fiscal year ended January 31, 2013 and the Company's 2013 Proxy Statement on Schedule 14A related to the 2013 annual meeting of stockholders, for filing with the Securities and Exchange Commission. Termination of Employment and Change of Control Arrangements

Executive Severance Agreements

On August 30, 2011, our Compensation Committee approved and recommended to our board of directors which also approved Executive Severance Agreements for four of our named executive officers – Theodore M. Wright, our Chief Executive Officer and President, Michael J. Poppe, our then Chief Financial Officer and Executive Vice President, David W. Trahan, our President – Retail Division, and Rey de la Fuente, then our President – Credit Division. Executive Severance Agreements were entered effective December 5, 2011 with Mr. Wright upon his becoming our Chief Executive Officer and President, and effective September 1, 2011 with Messrs. Poppe, Trahan and de la Fuente, and effective April 23, 2012 with Mr. Taylor upon his appointment as the Company’s Chief Financial Officer and Vice President, that provide for an automatically renewable one year term unless previously terminated, providing for eighteen months’ base salary and benefit coverage, together with vesting privileges of previously granted equity awards, in the event of termination without cause or voluntary termination by executive for “good reason” as defined in the agreement. “Cause” is defined as “(i) behavior of Executive which is adverse to the Company’s interests, (ii) Executive’s dishonesty, criminal charge or conviction, grossly negligent misconduct, willful misconduct, acts of bad faith, neglect of duty or (iii) material breach of this Agreement.”

The named executive officers will also receive benefits under the severance agreements in the event of “change of control” of (i) lump sum payment equal to three times the executive’s base salary, (ii) continued coverage of benefits for eighteen months following the date of the change of control, and (iii) all equity awards shall immediately vest and continue to be exercisable during the eighteen months following change of control.

Mr. Rey de la Fuente retired from the Company and as President – Credit effective January 31, 2013, and his Executive Severance Agreement was effected. In the event of a Merger Transaction that constitutes a Change of Control in which this Option is assumed or an equivalent option is issued by a successor entity, an Involuntary Termination of the Optionee within one (1) year after the effective date of the Change of Control shall cause this Option or the equivalent substitute option to be immediately exercisable for the full number of Shares covered hereunder.”

(b) Assumes vesting would accelerate on all unvested options per the Omnibus Incentive Plan:

“13.3. Acceleration of Vesting. Without limiting the authority of the Committee under Sections 3.2 and 4.3 of the Plan, if a Change in Control occurs, then:

(a) all Options and Stock Appreciation Rights that have been outstanding for at least six months will become immediately exercisable in full and will remain exercisable in accordance with their terms;

Compensation of Non-Employee Directors

Each of our non-employee directors received an annual Director’s fee of \$50,000, the chair of the Audit Committee received an annual fee of \$15,000, and the chair of the Compensation Committee received an annual fee of \$10,000 to serve as the chair of those Committees for our fiscal year 2013.

In addition our non-employee directors (i) are allowed to participate in the Company’s medical plan at the same contributories with all the benefits of full-time active employees, (ii) receive a merchandise discount in the same amount as the discount our employees receive; and (iii) are reimbursed for their expenses in attending board and committee meetings.

We adopted the 2003 Non-Employee Director Stock Option Plan in February 2003 in connection with our initial public offering, and amended the Plan by vote of stockholders at our 2006 annual meeting of stockholders. The plan is administered by the board of directors. Only non-employee directors are eligible grantees. Upon the closing of the initial public offering, we granted each of our then-current non-employee directors the option to purchase 40,000 shares of our common stock. Prior to fiscal 2012, we have automatically, per the Stock Option Plan, granted our non-employee directors an option to purchase an additional 10,000 shares following each annual stockholders meeting on and after the fourth anniversary of each non-employee director’s initial election or appointment to the board of directors. This annual award of options was eliminated by our Compensation Committee for our non-employee board members for our fiscal year 2012, and the Compensation Committee awarded restricted stock units to non-employee directors commencing in our fiscal 2012, covering 9,561 shares, and in fiscal 2013 covering 3,441 shares of our common stock under the 2011 Non-Employee Director Restricted Stock Plan as discussed below, to each director, vesting on the annual anniversary date of the award.

The initial options to purchase 40,000 shares of our common stock issued to non-employee directors vested equally over a three year period, and the additional options to purchase 10,000 shares of our common stock issued to non-employee directors vested on the first annual anniversary date of the date of the grant. All of these options have vested and are reflected in the tables below. The exercise

[Table of Contents](#)

price of each option was equal to the price per share of our common stock at the close of market on the date the option was granted. The options have a term of up to ten years before they expire. If the Compensation Committee were to determine to issue any further options to non-employee directors, they would vest on the annual anniversary date of their issuance, and would be priced as of the close of market on the date of the grant, and upon a change in control or sale of the Company, the optionees would have special vesting and exercise rights.

Under the 2003 Non-Employee Director Stock Option Plan, the number of options available to issue is 600,000. As of January 31, 2013, 550,000 options had been issued under this Plan. No options were awarded to non-employee directors during fiscal 2013. The Compensation Committee has determined that it has no further plans to grant any additional options granted under this Plan at this time, as a result of our stockholders approving the 2011 Non-Employee Director Restricted Stock Plan at our 2011 annual meeting.

At our 2011 annual meeting our stockholders approved the adoption of the Company's 2011 Non-Employee Director Restricted Stock Plan. This Plan is administered by our Compensation Committee, and only non-employee directors are eligible recipients of rewards under the Plan. The Plan permits the awarding of restricted stock and restricted stock units. At the Compensation Committee May 30, 2012 meeting, the Committee approved the award of restricted stock units covering 3,441 shares of common stock of the Company to each of the Company's non-employee directors pursuant to the 2011 Non-Employee Director Restricted Stock Plan. The Compensation Committee at its March 2012 meeting approved an award to each director following the Company's 2012 annual meeting of restricted stock units in the value of \$60,000 as per the price of our common stock at the close of business the day immediately preceding the award.

Stock Ownership Guidelines for our Non-Employee Directors

Our Compensation Committee has established stock ownership guidelines for our non-employee directors. The guideline for each of these non-employee directors is two times the annual retainer. Each non-employee director shall have five years from August 30, 2011 to reach these targets. If these targets are not attained timely, then the applicable non-employee director will be required to retain 50% of the net after-tax shares realized from the Company's equity incentive programs until the guideline is met. Shares that count toward the guideline include directly owned shares, beneficially owned shares held indirectly and shares held in any retirement or deferral account. Unexercised stock options, unearned/unvested performance shares and unvested restricted stock shares do not count in the guideline calculations. As of January 31, 2013, each non-employee director's stock ownership was as presented in the following table:

Indemnification Arrangements

As permitted by the Delaware General Corporation Law, we have adopted provisions in our certificate of incorporation and bylaws that provide for the indemnification of our directors and certain executive officers, including our named executive officers, to the fullest extent permitted by applicable law. These provisions, among other things, indemnify each of our directors and certain officers for certain expenses, including judgments, fines and amounts paid in settling or otherwise disposing of actions or threatened actions, incurred by reason of the fact that such person was a director or officer of the Company or of any other corporation which such person served in any capacity at the request of the Company.

In addition, we have entered into indemnification agreements with each of our directors pursuant to which we will indemnify them against judgments, claims, damages, losses and expenses incurred as a result of the fact that any director, in his capacity as a director, is made or threatened to be made a party to any suit or proceeding. The indemnification agreements also provide for the advancement of certain expenses (such as attorney's fees, witness fees, damages, judgments, fines and settlement costs) to our directors in connection with any such suit or proceeding.

We maintain a directors' and officers' liability insurance policy to insure our directors and officers against certain losses resulting from acts committed by them in their capacities as our directors and officers, including liabilities arising under the Securities Act of 1933.

CORPORATE GOVERNANCE

- Code of Business Conduct and Ethics for Members of the Board of Directors

Separation of Chairman of the Board and Chief Executive Officer

Effective December 7, 2010, our board of directors elected Theodore M. Wright as the Chairman of the Board of Directors. Prior to February 27, 2011, Mr. Wright was not and never had been an employee or executive officer of our Company, has been a member of our board of directors since September 2003, and has been designated an independent director each year since his election to the board of directors. Effective February 27, 2011, Mr. Wright was elected to serve as our Interim Chief Executive Officer and President while our board pursued and completed a search for a permanent Chief Executive Officer and President. Effective December 5, 2011, Mr. Wright was elected by our board to serve as our Chief Executive Officer and President, and our board requested that he continue to serve as its Chairman. While our bylaws and corporate governance guidelines do not require that our Chairman of the Board of Directors position and Chief Executive Officer positions be separated, effective February 27, 2011, with the election of Mr. Wright as Interim Chief Executive Officer and President, the board determined that, at least while the search for a permanent Chief Executive Officer and President was continuing and until such position is filled, the Company’s best interests would be best served by having the positions of Chairman of the Board of Directors and the Interim Chief Executive Officer and President be filled by Mr. Wright, who was thereby deemed to no longer be an independent member of the board of directors. Upon Mr. Wright’s election by the board of directors to serve as the Chief Executive Officer in conclusion of its search, the board determined that the Company’s best interests are served by Mr. Wright continuing to serve as both Chairman and Chief Executive Officer of the Company.

The determination by the board of directors to elect a director determined by the board of directors to no longer be independent as its Chairman, rather than to elect an independent member of the board as its Chairman, was based upon the board of directors belief that this separation was not needed due to the length of time Mr. Wright had served on the Board as an independent director – since 2003,

and that his expertise in both roles would be in the best interest of the Company and our stockholders, and additionally would bring a different perspective to the board from that of previous chief executive officers whose time and efforts had been primarily devoted to the Company operations.

Lead Independent Director

Our board of directors determined at its meeting held in August 2012, that our interests would be better served by the designation and appointment of a lead independent director, and appointed Bob L. Martin to serve in that capacity until his resignation and his successor is appointed. The lead independent director is responsible for coordinating the activities of the independent directors of the board of directors, and shall perform such other duties and assume such other responsibilities as the board may determine. Certain of the specific responsibilities of the lead independent director are:

- Act as the principal liaison between the independent directors of the board and the Chairman of the Board;
- Develop the agenda for and preside at executive sessions of the board's independent directors;
- Approve with the Chairman of the Board the agenda for board and committee meetings and the need for special meetings of the board;
- Advise the Chairman of the board as to the quality, quantity and timeliness of the information submitted by the Company's management that is necessary or appropriate for the independent directors to effectively and responsibly perform their duties;
- Recommend to the board the retention of advisors and consultants who report directly to the board;
- Interview, along with the chair of the Nominating and Corporate Governance Committee, all board candidates, and make recommendations to the Nominating and Corporate Governance Committee;
- Assist the board and Company officers in better ensuring compliance with and implementation of the Governance Policies and Procedures;
- Serve as Chairman of the Board when the Chairman is not present; and
- Serve as a liaison for consultation and communication with stockholders.

Risk Oversight

The board is actively involved in oversight of risks that could affect the Company. Management is responsible for the day-to-day management of risks we face, while the board, as a whole and through its committees, has responsibility for the oversight of risk management. The Audit Committee of our board of directors is charged by its charter with the responsibility to and does review and discuss the Company's policies and practices with respect to risk assessment and risk management at each of its regularly scheduled meetings, and to report to the board of directors various areas of risk, including credit, liquidity and operational, that should receive further attention and discussions among the board of directors and Company management. Our management does present specifically to the Audit Committee, and the board of directors if requested by the Audit Committee, various areas of risk concerns and management practices relative thereto as required by the Audit Committee, and when requested by the board, including particularly enterprise risk management which is the subject of intense scrutiny by the Audit Committee through presentations and discussions with the Company's management at each Audit Committee Meeting. Additionally, at various regularly scheduled Audit Committee meetings, our management presents a particular area of risk, either independently as a result of its assessment of materiality or at the request of the Audit Committee in addition to the discussions of enterprise risk management. The Audit Committee works with management in assessing and addressing the Company's policies' strengths and weaknesses in each area presented or separately assessed. The full board of directors receives at each regularly scheduled meeting, and more often as necessary, a presentation from management of our operations, including presentations of liquidity and credit reports and risks. Upon request by the board of directors, representatives of management for the separate areas commit to and do subsequently or simultaneously provide additional information, revisions and explanations pertaining to their respective areas of management.

AUDIT COMMITTEE REPORT

The Committee

Our board of directors established the Audit Committee to be responsible for the appointment, compensation, retention and oversight of the work of our independent auditors and to oversee our (i) financial reporting process; (ii) internal audits, internal control policies and procedures implementation and compliance with Sarbanes-Oxley Section 404 requirements and authorities; and (iii) financial, tax, and risk management policies. The Audit Committee is composed of three members and operates under a written charter, a copy of which is published on our website at www.conns.com under “Investor Relations – Corporate Governance.” The Audit Committee has prepared the following report on its activities with respect to our financial statements for the fiscal year ended January 31, 2013.

Review and Discussion

Management is responsible for our financial reporting process including its system of internal controls, and for the preparation of Conn’s consolidated financial statements in accordance with generally accepted accounting principles. Ernst & Young LLP, our independent registered public accounting firm, is responsible for auditing those financial statements and for attesting to the effectiveness of our internal control over financial reporting. It is the Audit Committee’s responsibility to monitor and review these processes. The members of the Audit Committee are not employees of the Company and do not represent themselves to be or to serve as, accountants or auditors by profession or experts in the field of accounting or auditing.

In connection with the preparation of our audited financial statements for the fiscal year ended January 31, 2013, the Audit Committee:

- reviewed and discussed our Annual Report on Form 10-K, including our audited consolidated financial statements and Management’s Report on Internal Control over Financial Reporting for the year ended January 31, 2013, with management;
- discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Oversight Board in Rule 3200T; and
- received the written disclosures and the letter from Ernst & Young LLP required by PCAOB Rule 3526 (Communication with Audit Committees Concerning Independence), and discussed with Ernst & Young LLP its independence from the Company, including whether Ernst & Young LLP’s provision of non-audit services to the Company is compatible with the auditors’ independence.

The Audit Committee meets separately with our independent auditors to discuss the results of their examinations, their evaluations of our internal controls and the overall quality of our financial reporting. The Audit Committee held four regularly scheduled meetings and acted once by unanimous written consent in lieu of meeting during the fiscal year ended January 31, 2013.

Recommendation

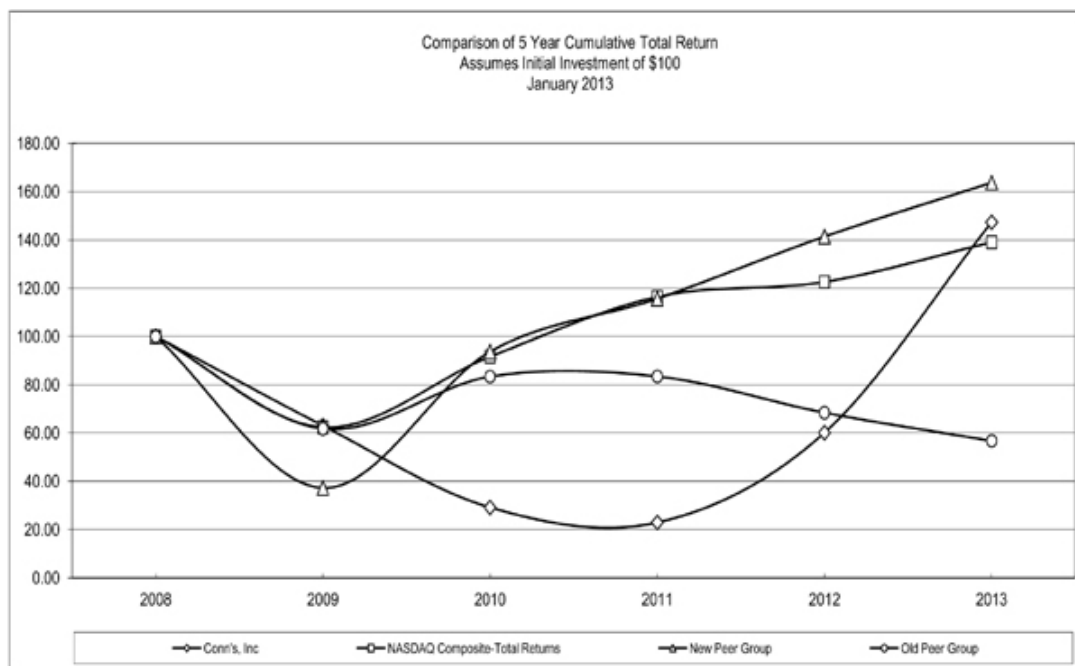

Based on the review and discussion referred to above, the Audit Committee recommended to the board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended January 31, 2013, for filing with the Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Related Party Transactions

The board has adopted a statement of policy with respect to all relationships and transactions in which our Company and our directors and executive officers or their immediate family members are participants. Under this policy, the board of directors reviews all related party relationships and transactions to determine whether such persons have a direct or indirect material interest, and if so, if the transactions are at arm's length and are acceptable to the board of directors. Each related party transaction must be entered into on terms that are comparable to those that could be obtained as a result of arm's length dealings with an unrelated third party to be approved and accepted by the board of directors. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in our proxy statement. In addition, the Audit Committee reviews any related person transaction that is required to be disclosed. In the course of its review of these relationships, the Audit Committee observes how each relates to a potential conflict of interest with the Company:

- the nature of the related person's interest in the transaction;
- the material terms of the transaction, including, without limitation, the amount and type of transaction, and the timing of the entering of such transaction;
- the importance of the transaction to the related person;
- the importance of the transaction to the Company;
- whether the transaction would impair the judgment of a director or executive officer to act in our best interest; and
- any other matters the committee deems appropriate.

Related Party as Provider of Our Printing Services

During fiscal year 2013, we continued to engage the services of Direct Marketing Solutions, Inc., or DMS, for a substantial portion of our direct mailing advertising and our credit collection mailings. Direct Marketing Solutions, Inc. was partially owned (less than 50%) by the SF Holding Corp., members of the Stephens family, Jon E.M. Jacoby and Douglas H. Martin during fiscal years 2011, 2012 and a portion of 2013. SF Holding Corp. and the members of the Stephens family are significant stockholders of our Company, and Messrs. Jacoby and Martin are members of our board of directors. The owners of DMS sold the company during fiscal year 2013. The fees and postage we paid to DMS during fiscal 2011, 2012 and 2013 amounted to approximately \$2.4 million, \$2.3 million and \$2.2 million, respectively. When DMS was initially engaged to perform direct marketing services and credit collection mailings for us, a competitive analysis was performed from submissions by various marketing and printing groups, with DMS presenting the low price point in these analyses. During fiscal 2011, 2012 and 2013, additional analyses have been performed which continually support that DMS offers us the lowest cost for the best service.

Related Party as Financial Advisor

From time to time we have engaged Stephens Inc. to act as our financial advisor. For example, in fiscal 2011 we engaged Stephens Inc. to be our financial advisor to advise us in connection with our rights offer. During our fiscal 2012, we engaged Stephens to advise us on certain transactions that we considered during fiscal 2012, none of which were consummated. Stephens Inc. did not receive any fees from us for these transactions during 2012 as they were to receive success fees in the event of the consummation of any such opportunity, together with additional fees for any opinion our board asked Stephens Inc. to render in connection with any such opportunity. During our fiscal 2013, we retained Stephens Inc. among other investment banking groups to assist us in a primary and secondary offering of our stock and the stock owned by Stephens Inc. and its affiliates, including Douglas H. Martin, one of our directors and the Senior Managing Director of Stephens Inc. The disinterested members of our board of

[Table of Contents](#)

directors determined that it was in the Company's best interest to engage Stephens Inc. in such capacity to assist us in analyzing and advising us with respect to these opportunities. Stephens Inc. and its affiliates own approximately 14.83% of our outstanding common stock. The engagement of Stephens Inc. was approved by the independent members of our board of directors after full disclosure of the conflicts of interests of the related parties in the transaction. Mr. Douglas H. Martin did not participate in the approval process.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that our directors, executive officers as well as other persons who own more than 10% of our outstanding common stock file initial reports of ownership and reports of changes in ownership of our common stock with the SEC. Officers, directors and other stockholders who own more than 10% of our outstanding common stock are required by the SEC to furnish us with copies of all Section 16(a) reports they file.

To our knowledge, based on a review of reports and information furnished to us by those persons who were directors, executive officers and/or the beneficial holders of 10% or more of our common stock at any time during the fiscal year ended January 31, 2013 and upon representations from such persons, we believe that all stock ownership reports required to be filed under Section 16(a) by such reporting persons during the fiscal year ended January 31, 2013 were timely made, other than a late filing of a Form 4 by Mr. Wright upon the vesting and issuing of shares of common stock related to the previously reported grant of restricted stock units.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Ernst & Young LLP served as our independent registered public accounting firm for the fiscal year ended January 31, 2013. The Audit Committee has appointed Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2014. Representatives of Ernst & Young LLP will attend the 2013 annual meeting of stockholders and will be available to respond to appropriate questions that may be asked by stockholders. These representatives will also have an opportunity to make a statement at the meeting if they desire to do so.

Fees for professional services rendered by Ernst & Young LLP during fiscal 2012 and 2013 in each of the following categories, including related expenses, are:

| | Years Ended January 31, | |
|--------------------|-------------------------|-----------|
| | 2012 | 2013 |
| Audit Fees | \$922,289 | \$719,550 |
| Audit-Related Fees | 11,000 | 349,247 |
| Tax Fees | 93,105 | 88,465 |
| All Other Fees | — | — |

Audit fees included fees for the annual audit, including the audit of internal control over financial reporting, reviews of the Company's Quarterly Reports on Form 10-Q, work performed to support our debt issuances, and accounting consultations. Audit-related fees principally include separate agreed upon procedures not required by statute or regulation. Tax fees include tax compliance, tax advice, and tax planning services. Other Fees include those items unrelated to those specific audit or audit-related services described above.

Our Audit Committee Charter requires pre-approval of all services to be rendered by our independent auditors. 100% of the audit-related fees, tax fees, and all other fees were approved by our Audit Committee for fiscal 2013 and 2012. It was determined that no services rendered by our outside auditors in fiscal 2013 were prohibited under the Sarbanes-Oxley Act of 2002. All fees associated with the services for fiscal 2013 were approved in advance of services being rendered. In addition, the Audit Committee has considered whether Ernst & Young LLP's provision of services, other than services rendered in connection with the audit of our annual financial statements and reviews of our financial statements included in our Forms 10-Q for the most recent fiscal year, is compatible with maintaining Ernst & Young LLP's independence and has determined that such services rendered met the requirements of independence.

STOCKHOLDERS SHARING THE SAME LAST NAME AND ADDRESS

To reduce the expense of delivering duplicate proxy materials to stockholders who may have more than one account holding Intel stock but who share the same address, we have adopted a procedure approved by the SEC called “householding.” Under this procedure, certain stockholders of record who have the same address and last name, and who do not participate in electronic delivery of proxy materials, will receive only one copy of our **Notice of Internet Availability of Proxy Materials** and, as applicable, any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. This procedure reduces duplicate mailings and saves printing costs and postage fees, as well as natural resources. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If you receive a single set of proxy materials as a result of householding, and you would like to have separate copies of our **Notice of Internet Availability of Proxy Materials**, annual report, or proxy statement mailed to you, please submit a request to our Corporate Secretary at 4055 Technology Forest Blvd., Suite 210, The Woodlands, Texas 77381 or call our Investor Relations department at (936) 230-5899, and we will promptly send you what you have requested. However, please note that if you want to receive a paper proxy or voting instruction form or other proxy materials for purposes of this year’s annual meeting, follow the instructions included in the **Notice of Internet Availability of Proxy Materials** that was sent to you. You can also contact our Investor Relations department at the phone number above if you received multiple copies of the annual meeting materials and would prefer to receive a single copy in the future, or if you would like to opt out of householding for future mailings.
